Dick Clark Selects the 1970 Serrano Queen

On Monday, March 9, 1970, Dick Clark, owner of radio station K.P.R.O. and well known celebrity, came to Riverside. The purpose of his visit was to announce his choice for the winner of the third annual Serrano Queen contest. From the group of five semi-finalists—Cris Fox, Vicki Green, Sherry Walner, Deloris Mulligan, and Diana Macy, Mr. Clark chose Deloris Mulligan. The Serrano Queen was chosen on the basis of appearance, personality, and school service.

In Mr. Clark's own words, "Obviously, this was a hard decision to make, since all of the girls seem to be outstanding students, and very attractive; but based on appearance, service to school, and questions asked of each, I have selected Deloris Mulligan. Thank you for the honor of judging your contest."

Seniors Take Spirit Week Honors

WOW! What a great turnout we had at our 1970 Spirit Week Assembly. Everyone was bubbling over with spirit, and they proved it magnificently.

Throughout the year we have had many assemblies, but the most successful happens at this time of the year.

All of the classes compete against each other to see who is most spirited, and this year the Seniors won the overall competition. Although the Seniors won the week's competition, the Juniors were judged to have the winning skit entitled, "The Wizard of Oz".

During the week, different activities occurred, such as the Car Bust. The president of the Boys' League donated an old car and had printed all the teachers names on it. The donation was 5¢ per slug.

Also each class had a display on the campus to show their spirit.

Congratulations to the mighty class of 70 for pulling through and winning two major contests of the year.

Frosh Tackle Tough Mountain

On November 1st, the Freshmen and Sophomores made their yearly hill climb to Devil's Peak for the Freshman initiation.

They hiked up to the top of the hill and made an assembly line and passed lime and water to where the N.V. was.

The Freshmen pulled weeds and cleared trash from around the rocks, and then put the N.V. back together.

This was one of Novi's many traditions that will carry on.

Climbing a mountain is a tiresome chore. One can get pretty hungry too!

Mixing the lime is the most important task.

Mrs. Mossman takes a break with the rest of the freshmen.

Two enthusiastic frosh carry lime up Devil's Peak for the 4th re-liming of the N.V.

Seniors defeat Juniors in Thrilling Donkey Basketball Rivalry!

This year's Donkey Basketball game was different from those of previous years. Instead of the usual faculty, Seniors competition, this year the rivalry was between the Seniors and Juniors. The Seniors scored their third straight victory of the year, with a 30-28 victory over the "never-say-die" Juniors.

Mike Connor was the hero of the day, scoring the winning basket in the final three seconds of the game.

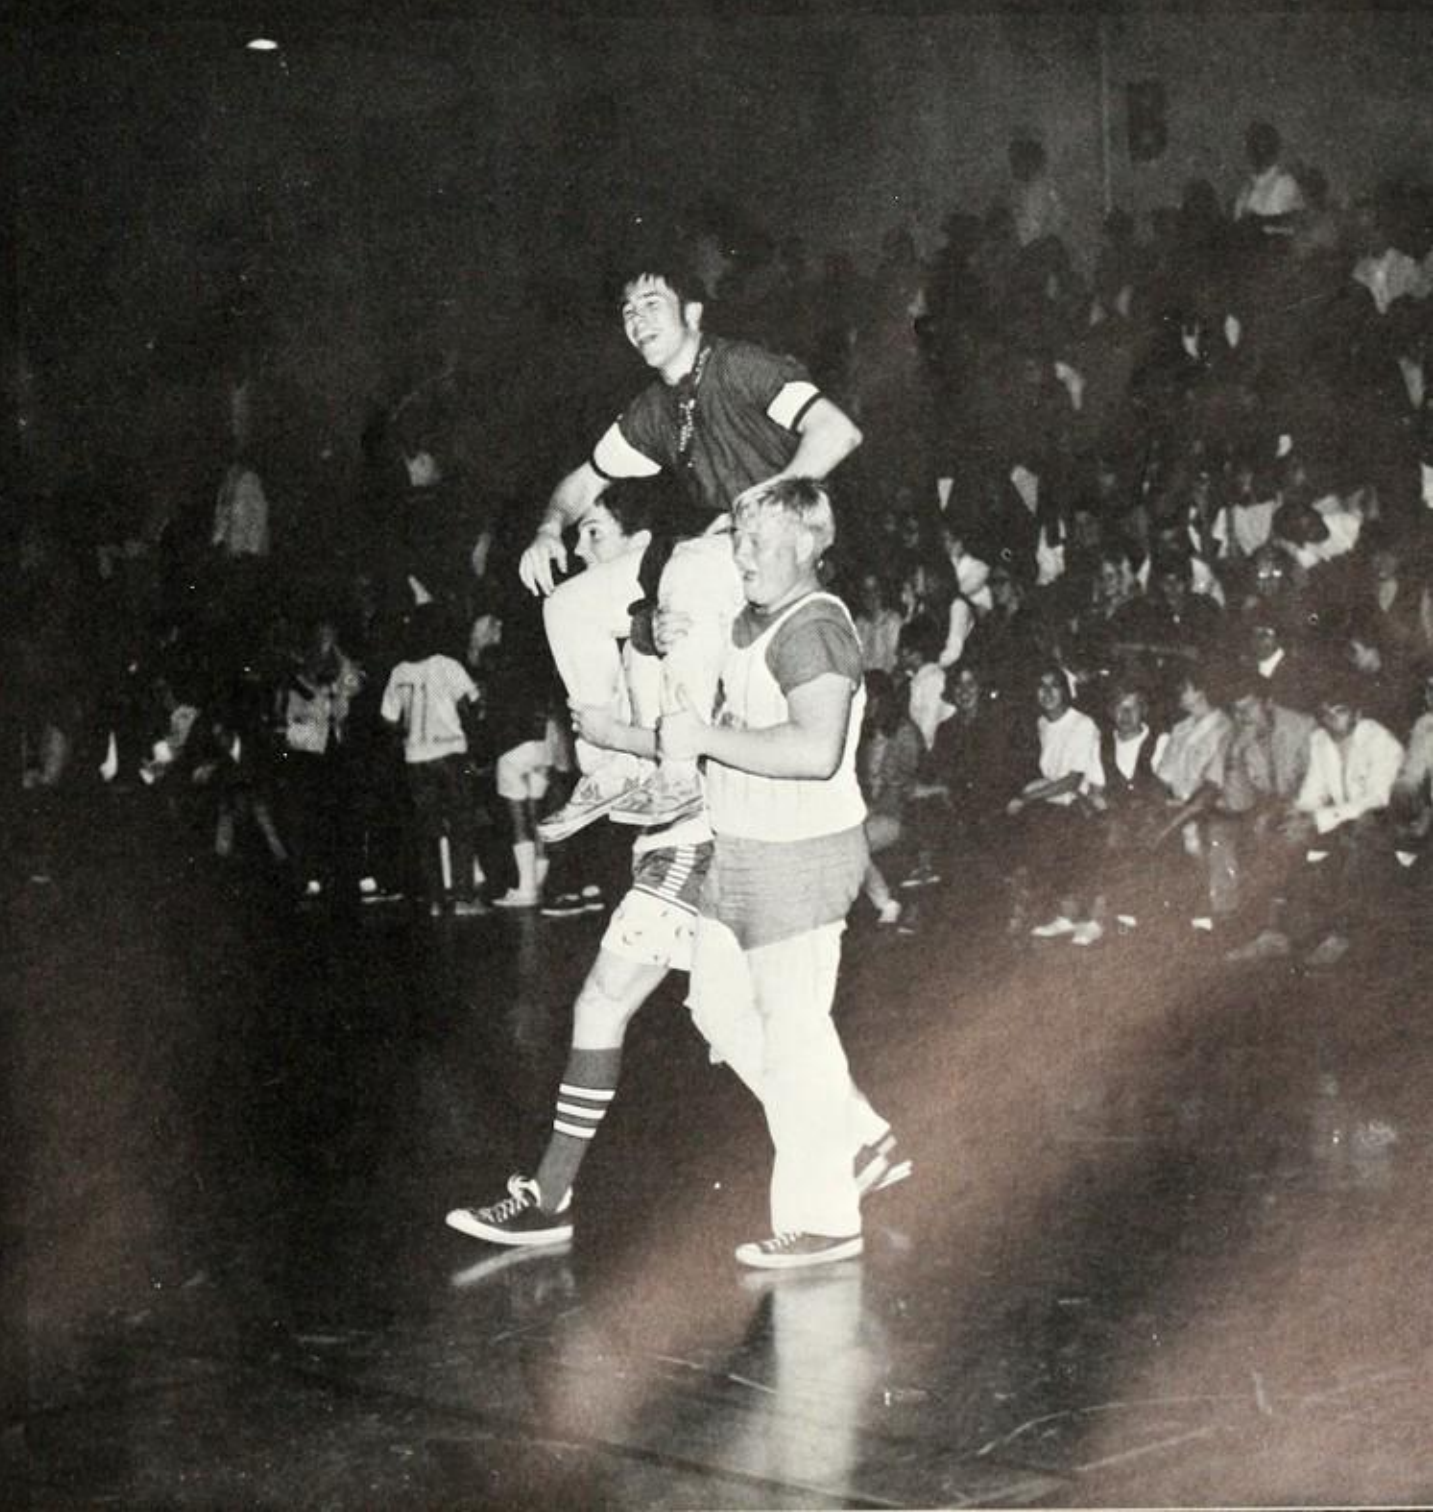

The Junior squad: John Soma, Ken Breunig, Ted Williamson, Gary Hornyak, Jackie Bolduc, Arnold Orta, Jennie Allen, and Dennis Weber.

This year's homecoming Assembly began with the introduction of the queen candidates & their escorts. The assembly included the "Mixed Company" composed of Clabe Hangen, Keith McNeil, Joe Rael-a popular folk singing group of Southern California.

All the students took part in making the music that rocked the entire gym.

Crowd participation helps to make a successful assembly.

On the 10th of February, the United States Marine Corps Band visited Norte Vista to perform a concert. This was the first time that they appeared in public together.

Consisting of 50 members, they started up the group in November of 1969. The conductor is Mr. Richard Kellher. He is also the Master Sergeant. This fine band came to us from Camp Pendleton. The students of Novi enjoyed this concert, and hope to see more of this fine group.

The Marine Corps Band plays one of their selections from around the world.

On February 26, we had our 1970 Talent Show, a chance for the students to perform their talents.

This year we awarded 1st place to Amanda De Costa, 2nd place went to Chris Hewitt, and 3rd was awarded to Kit Wilson. Congratulations to these winners.

The Talent Show is an important part of the year, because it's the time when people can prove what talent they have and show it to everyone.

Commissioner of Projects Dee Slimp organized the Talent Show and it proved to be quite successful.

The Sweetheart’s Ball, which is sponsored by the Girl’s League, was held on Valentine’s Day, February 14. This year’s theme, “Queen of Hearts,” was well represented by the school-chosen 1970 Senior Class Sweetheart, Linda Torres. The princess of each class were; Sharon Strand—Junior Class, Debbie Aldrich—Sophomore Class, and Pam Wright—Freshman Class. Bedrock supplied the music for the event.

The Junior Class chose Sharon Strand as their Sweetheart.

Mike Voges, a first and a success!

Many Norte Vistan's were surprised at the sight of the Varsity Cheerleaders this year. For the first time we had two males in uniform. Steve Slaten and Mike Voges added their exuberance to the squad of 1969-1970. The year began with four of the squad attending camp. Anita Salbato was chosen as head. As the school opened, the pep squad could be seen practicing afternoons on the main quad. Their performance at games showed the results. Spirit rose to an apex as the cheerleaders chanted "Have you got that spirit?" "Yea Man!"

This years Pom Pon girls helped the rest of the Pep squad in keeping the spirit high at Novi. The home game uniforms displayed by the Pom Pon girls were made by Mrs. Rawson and Mrs. Walker. Their Indians on the megaphones and the lettering on the stools were made by Steve Strand.

All the girls on the squad deserve recognition in being chosen out of 35 girls who tried out for Pom Pon.

As the Flag Girls and cheerleaders, the Pom Pon girls attended a summer camp for the Pep Squad.

Pom Pon Girls Display Spirit and Companionship

Norte Vista's Flag Girls, headed by Yvonne Le Doux, have begun a tradition. This tradition is one of dedication and hard work. As the third group of Novi Flag girls, their work has proved successful. They won a first place trophy at summer camp and have placed in competition in parades. Novi Flag Girls are present at all games, away and home.

The most difficult part of being a Flag Girl is keeping the flag flights together.

Each of the seven spend many long and hard hours practicing always before and after the games, and before the year is over, the routines become second nature to them.

As the students rose cheering, the band marched uniformly out onto the field of the 1969 Homecoming game. We all sensed a change; not only were the drum majorettes and majors strutting proudly, but the band seemed to have reached new heights. Mr. Wilcoxin, band director, has adopted a new band policy where the members, parents, and administration all help to govern the discipline and loyalty. Every student agrees that although the band is small numerically, we are stronger than ever before.

Right: Our band participates in many extra-curricular activities. They play at pep rallies, games, assemblies, plus their own concerts each year. Here the band plays the Alma Mater at the end of a game.

Below: Drum Majors: Mike Lambert, Mark Minimeyer. Majorettes: Anna Rogers, Mary Trudell, Nancy Bujold.

Mr. Wilcoxon has been our band director for three years and in that short time he has changed and improved our band greatly.

Norte Vista's seventh homecoming, "REIGN OF VICTORY" was exactly that. With homecoming falling on October 11th, almost a month early, some were skeptical of how it would turn out, but under the direction of Steve Yamaguchi Commissioner of Pep, organization was started in June.

The classes took the early date as a challenge. Float construction began . . . classes were more particular as to what they wanted for floats. The class of 1971 was working for their third consecutive victory in the float competition, and the classes of 1970, 1972, 1973 were looking for a new "King of the Hill" in the competition. The Queen's Float presented the A.S.B. Board of Commissioners the challenge to have a most stately and beautiful float on which the queen and her court would ride.

The week of the 11th began with of all things—a bed-rolling contest!! Novi's hallowed halls were filled with hollers and screams of fun as "Representative Bed Pushers" for each class flamed on trying to beat the others' times. Outlandish-Color Day

happened on Tuesday. Mass participation could be seen on campus. Wednesday brought around a "Battle of the Mouths"—The pie eating contest. On the subject of mouths 1800 mouths were involved in the victory assembly as "The Mixed Company" performed on Thursday. The lovely queen candidates were introduced to the cheering crowds and everyone anticipated Friday - Spirit Day and the day of the election for homecoming queen.

What would homecoming be without a parade?

After working continuously throughout the night to finish the floats, Saturday morning and the 50 mile per hour Santa Ana Gusts brought tears and frustration to many. But at 11:00 when the police escort began the procession and the large crowds gathered, waving, and taking pictures, the smiles and young fun was aroused in everyone.

Except for mussed hair, wiglets and gritty teeth the parade was a true success ending with a superfantastic pep rally at Hunt Park.

Queen Candidates: Christine Hewitt, Vida Smith, Joyce Boggs, Andrea Ferguson, Sue Jameson.

Top: Novi's spirit is shown during the Alma Mater after their 7-0 victory over Corona in this year's Homecoming Game.

The Corona, Norte Vista game was scoreless as it shifted into the 4th quarter, but spirits were high among the crowd. We felt a kind of relief for the tensions and anxieties of the week had been quelled during halftime activities. The floats passed through an admiring crowd with the queen's float stopping in front of the red carpet. As each one of the beautiful candidates stepped down and walked on the carpet we felt a kind of wonderment at the beauty and dignity of it all. The band formed a crowd and the final announcement came. Sue Jameson was the 1969 Homecoming Queen, and to the surprise of many people, the class of 1970 won the float competition! It was a beautiful ceremony. As halftime closed we were relieved, but wait-we hadn't won the game yet! Suddenly we were in possession of the ball. We ripped down the field for the only score of the game. We were ecstatic. At the dance following we had a joyous time. We rocked out to the music of 'The Family' which brought a climax to a evening of surprises.

1969 Varsity Football Squad

The 1969 football season, although not quite as successful as some of the coaches and players had hoped for, was still a year of marked achievement for Novi. In years past opposing schools would look forward with eager anticipation to the Norte Vista game as a sure victory.

However, Novi has been no laughing matter for some 12 games in the past two years. With a 7-3 record last year and a 5-4 this year, Norte Vista has now established itself as a winner in football and certainly as something to contend with in the Ivy League. Also in the past two years Novi has placed 15 players on the All Ivy teams.

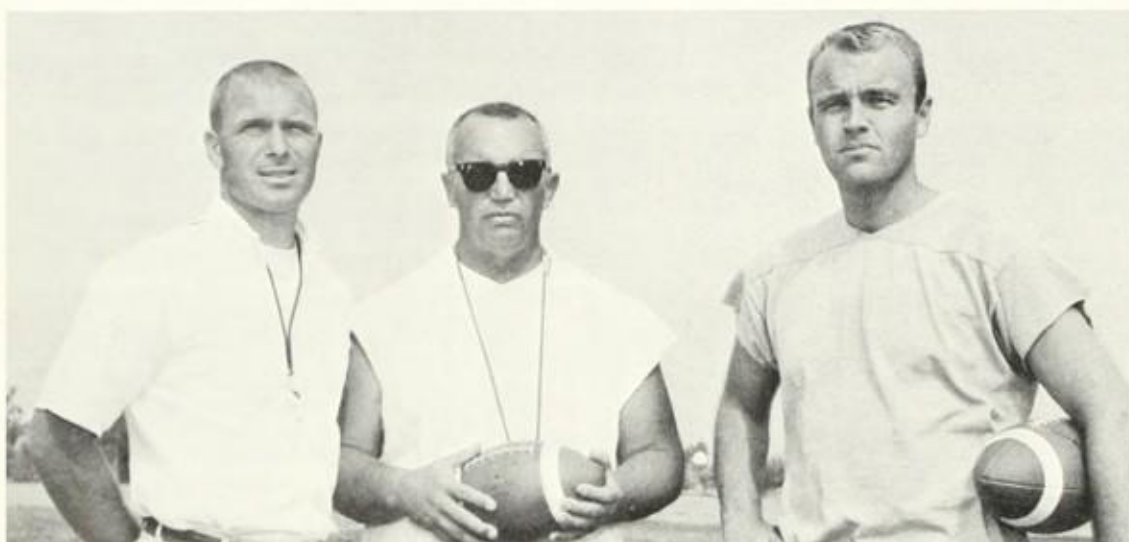

This year John Erickson (Defensive End) and Jerry Upper (Defensive Back), placed on the 1st team.

Mike Conner, (Guard), Mike Lewis (Halfback), and John Erickson (Offensive End) took 2nd team honors, and Dave DeWitt (Interior defensive lineman), Al Waters (Defensive Back) and Jose Montemayor were honorable mentions. Since a player's coach is forbidden to vote for him, you get an idea of what other coaches and players around the league are beginning to think of Novi.

The Norte Vista student body would like to express sincere appreciation to the coaches for developing the football team into what it is and to wish the best of luck to next year's team in keeping up Norte Vista's now-proud winning tradition and in bringing home to Novi an Ivy League championship.

Though injury plagued through most of the season the Junior Varsity team still managed to record a 5-3-1 season mark, and tie up third place in the Ivy League race. Lead by sophomore star Dave Chandler the team's leading scorer, and Randy Frazier, the leading pass receiver, the team scored a total of 158 points. With their formidable record many of the J.V. players will be seeing action as Varsity men next year.

J.V. Cross Country—Top: Tim Bourbonnais, Mike Braniger, Roy Buchanan, Jerry King. Bottom: Dave Panzer, Grady Alford, Carl Wigglesworth, Larry Gus.

Novi's favorite coach is Clarence Duncan, here in home territory.

Novi's Undefeated Cross Country Champs

This year proved to be a very successful one for our Cross Country team. Team spirit, hard practice, determination led to being city and league champs.

Dave Marrujo was awarded the coaches trophy, Robert Rodriguez was the Most Valuable runner, and Gary McDonough was the most improved.

Most courses run by the Cross Country teams are fairly flat and usually two miles long.

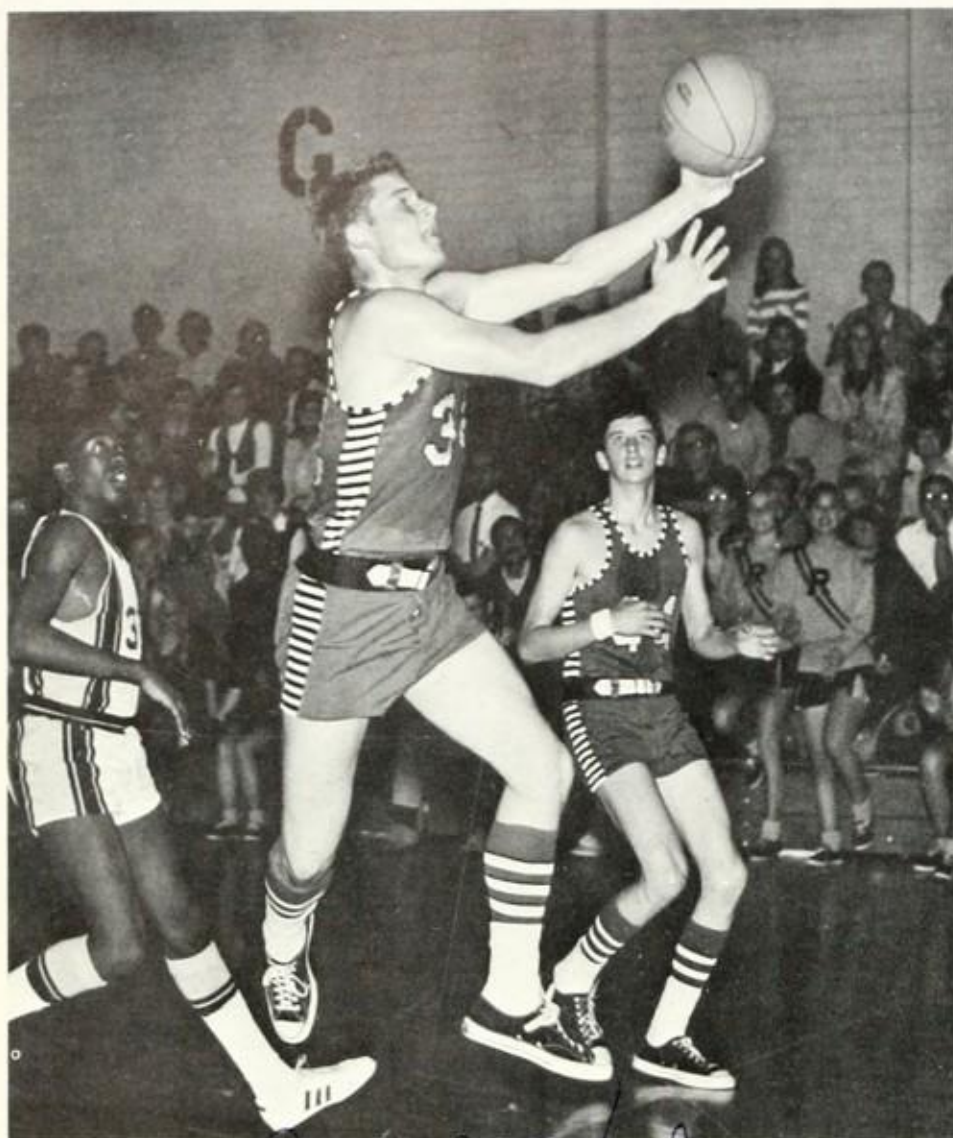

Our main competition was against Norco and Colton.

Three members from Norte Vista, Dave Marrujo, Gary McDonough, and Robert Rodriguez, got first team berths on the all Ivy League team. Two more, Don Mount and Chris Tucker, made second team honors.

Their coach, Clarence Duncan, whose motto is "Accept the challenge", is very enthusiastic about his team.

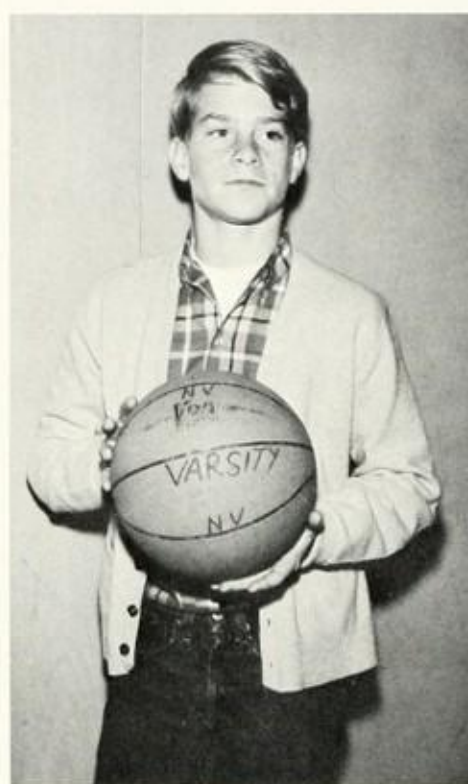

Next year should prove to be just as rewarding as this one. Team effort, physical and mental readiness and the will to win led to our most successful season.

This year's Varsity basketball team is a team of the future. With four sophomores making the team, Coach Manns is building and planning for future years at Novi.

Greg Davis and John Romo are two of the sophomores who are members of the starting five. John is a guard and Greg is a forward.

Besides the four sophomores the rest of the team is composed of three seniors. David Wall, Gary Hardgrave, and Jack Voss are the other three starters.

Gary Hardgrave finished fourth in the Ivy League scoring race with 17.4 points per game average. Jack Voss was seventh with a 15.6 average. The team ended the season with a final record of 3 wins and 21 losses.

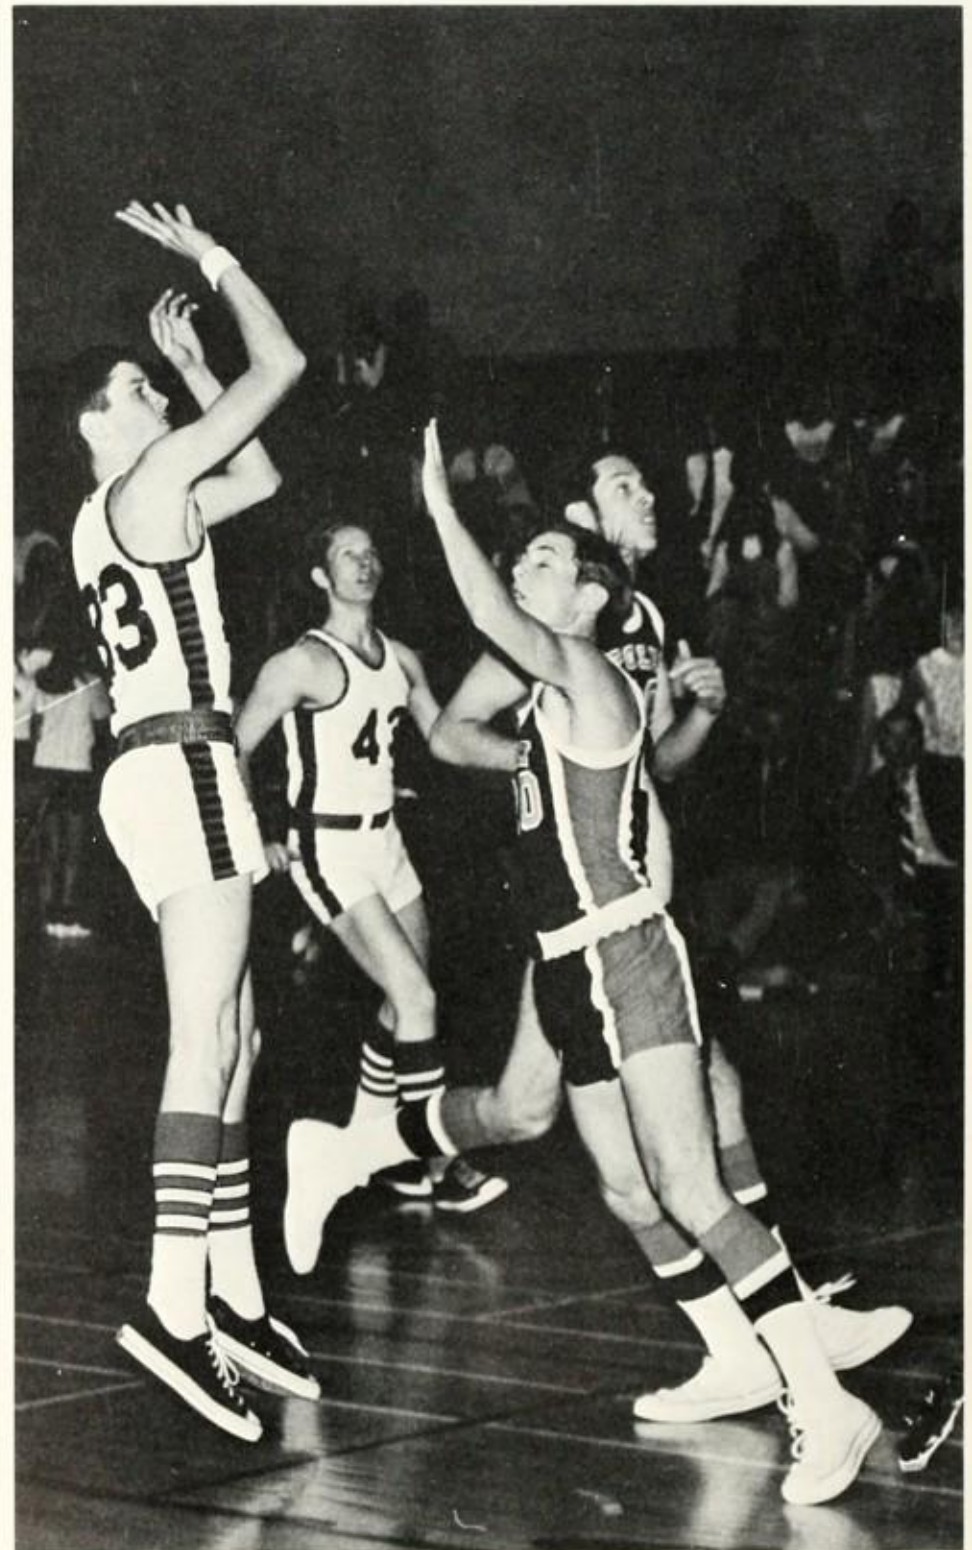

Greg and Gary lead fast break down court.

Ball! Ball! Who has got the ball?

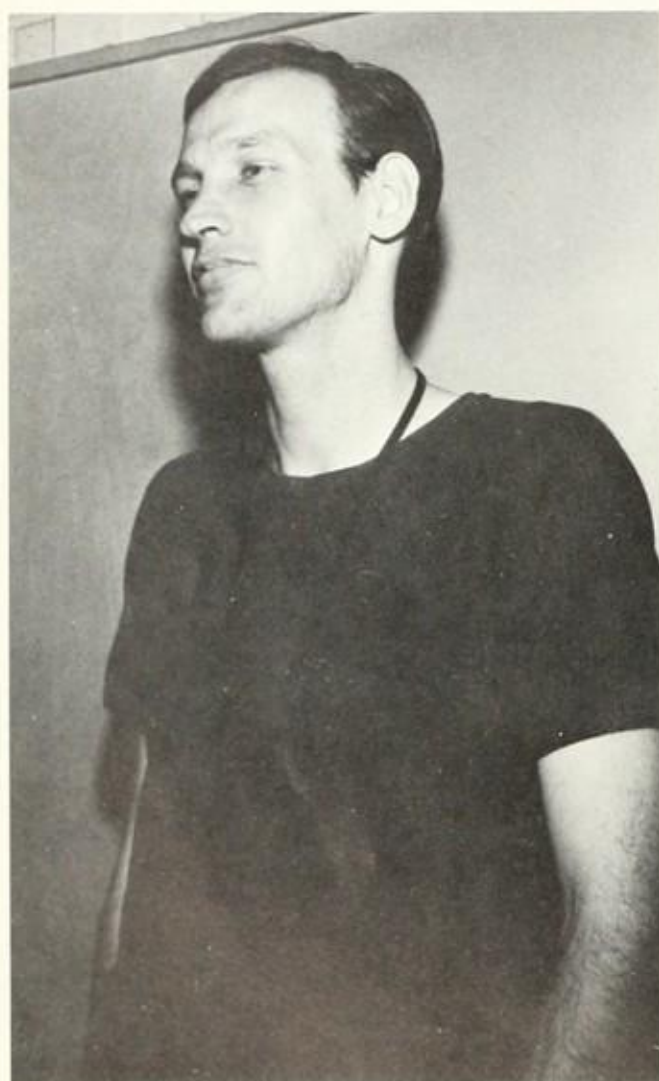

Learning is Painful for J.V.'S

A change from last year! This year's J.V. squad is composed of Sophomores, Juniors, and Seniors. In previous years, Seniors have been ineligible.

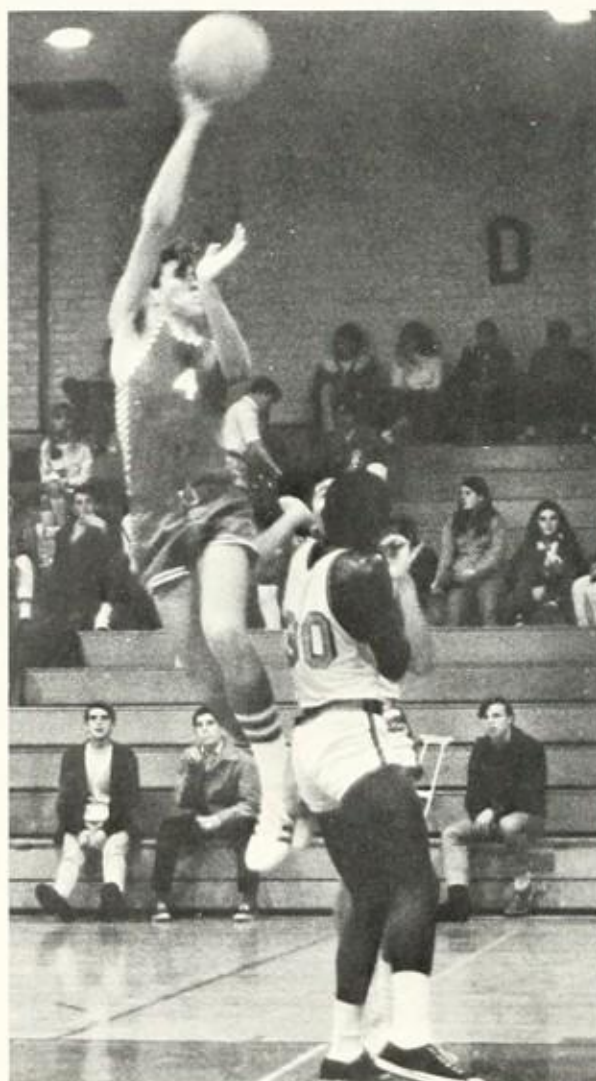

With the precise ball handling, expert shooting, hard rebounding, and with the new rule now active, Novi should continue to be a tough contender in Ivy League action.

B's have Disappointing Season

This year the "B" Basketball team had an unsuccessful season. They were unfortunate enough to have the exact record of the "B" team of two years ago, 1 win and 15 losses.

Coach Ryan's first year was not productive in securing many victories.

The leading scorer was John Pendergrass with an 11 point average and the leading rebounder was Jim Warnock.

Tennis Team Plans for Future with Underclassmen

The tennis team this year is an inexperienced one. Of the 16 players on the squad, only 2 have played before. The team is not expecting to be in the top half of the league and are treating this year as a training and building unit. They hope for good success in the 1971 season.

They have an enthusiastic, hard working and dedicated group of players under captain Robert Ellis and co-captain, Paul Bosacki.

G.A.A. On The Move

Norte Vista has a very active Girls' Athletic Association. All year round girls stay after school for various sports. The greatest thing about participating in G.A.A. is that you play against girls from other schools, similar to the boys C.I.F. competition. The reason for this is to make new friends from other schools in the area.

The track team was G.A.A.'s most successful group, receiving high honors in city competition.

Convention '70' Represents All Aspects of School Life

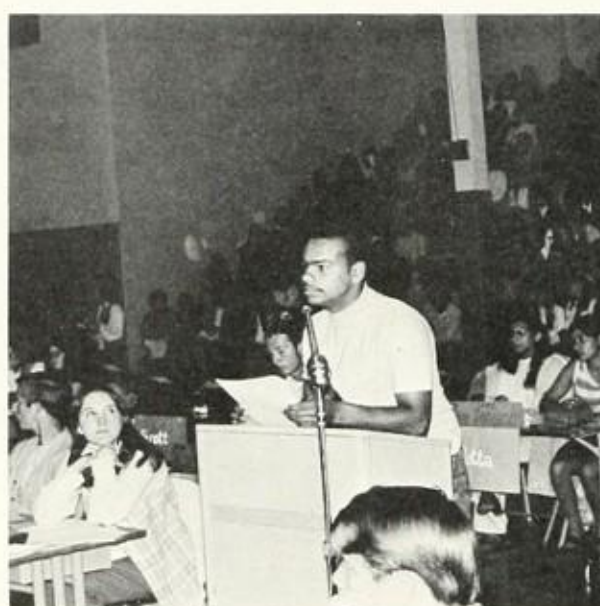

"This Nominating Convention will please come to order," announced A.S.B. Vice President, Vida Smith. The date was March 5, 1970, the Seventh Annual Nominating Convention was to be the "first for the Seventies." Two candidates were nominated for every office, including an attempt to nominate Senior John Bourbannais for Commissioner of Pep. His qualifications included "being kind to his mother", and "looking at the Pom-Pon Girls." At five that evening, a delectable dinner was served to the delegates by the Future Homemakers of America.

Officials at the head table ran the convention well.

Shirlee Burch calls delegate, John Magleby, out of order.

Delegate, John Somma, seconds a nomination.

Mr. Lane and Vida Smith confer on last minute details.

Keynote speaker, Stephen Frank, opened the convention.

Congress Establishes New Dress Code for Norte Vista

Congress is the legislative branch of the Norte Vista student government. It is also the communication link between the Board of Commissioners and the students.

The first major item of business for the Congress to consider was the acceptance of Vida Smith as VicePresident and Karen Johnson as Secretary. The Human Relations Council has been established this year because of the action of Congress.

The representatives present the ideas and proposals of their classes to the Congress at the bi-weekly meetings. Business that needs more contemplation is referred to a committee which is chosen by the chairman. Some committees that have been established this year include: dress code, clean campus, lengthening of the lunch period and others.

The Congress is one of the most influential bodies on campus and becomes stronger each year.

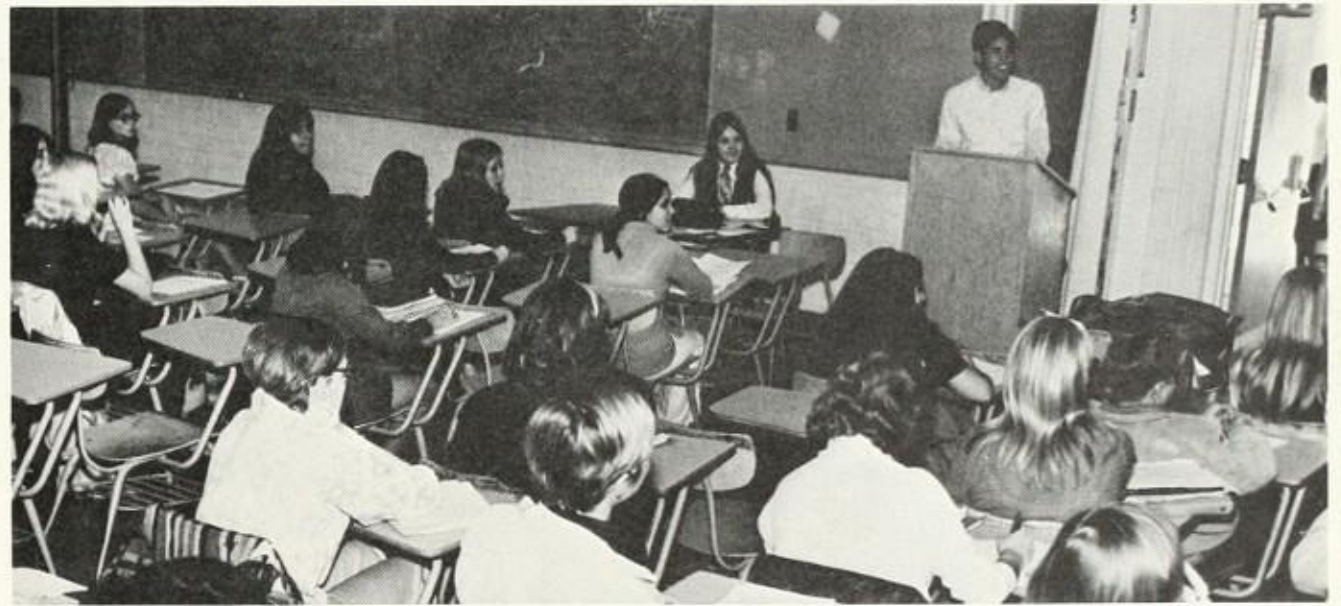

Norte Vista students should be proud of the fact that few schools have a representative legislative body as effective as our Congress.

COMMISSION

At twelve noon, on the final day of school, the newly elected A.S.B. Board of Commissioners officially take office for the coming year.

As they take office, they are faced with many responsibilities. They plan and co-ordinate activities and administer the A.S.B.'s \$52,000 student body budget.

Each commissioner represents a different faction of school life, together they stand as a united body. They work at all times to promote high standards, and to better communications between students, teachers, and administration.

C.S.F. Sponsors Pot Luck Dinner

CSF

The California Scholarship Federation is one of the largest organizations on the Norte Vista campus. The club emphasizes good grades and school involvement as membership credentials with "A" "B" average being required to gain entrance into this organization. This year among the CSF activities was the successful Pot Luck Dinner. Again, as in past years, Mrs. Moody was the advisor.

Drama Club Presents Fall Comedy

DRAMA CLUB:

The Drama Club was quite active this year as they worked to raise money for their two A.S.B. plays. They also participated in different Speech and Drama Festivals. The Club members working with the Drama Department put on a fantastic show of "Arsenic and Old Lace." Many felt it was the best of Novi's dramas so far.

Speech Club Wraps Presents to Provide Funds

THE SPEECH CLUB:

The Speech Club is interested in almost all aspects of speech. It is sometimes said to be the most enterprising group on the Norte Vista campus.

The club is open to anyone interested and can be of great value, as speaking techniques, poise, and communication are all stressed.

Some of their activities included a Christmas wrapping booth at a local store and they also financed a scholarship tea for one outstanding speech student.

Music Department Enjoys Successful Year Under New Director

MUSIC CHORAL CONCERT:

Variety characterized this year's Christmas Concert as music was featured in a program style that ranged from formal to casual. Reflecting the choral philosophy that students should be exposed to quality music, performed in the correct historical tradition, the program blended the mediums of mixed and unmixed voices in large and small ensembles. Particularly popular with the large audience was the Boys' Chorus which stepped down from the risers and gathered around the piano, where they decorated a Christmas tree and sang familiar carols.

Mr. Goodwin's arrangements range from classical to pop.

The club officers and advisor are chatting over future events.

Art Guild Originates Art Boutique

ART GUILD:

The Art Guild is a club for students who are interested in any aspect of art. Special artistic talent isn't required, just having the interest to make something is all that is really needed.

The club meets usually every other week and sometimes has guest speakers. This year, they originated the "Art Botique"—the sale of art objects made by the students.

Miss Gritton is demonstrating a few techniques in making candles.

Seated, l. to r.: Rodonna Van Pelt, Joyce Powell, Jennifer Peck, Arlene Ashton, Kathy Stevens. Standing: Kyle Almy, Anna Rogers, Kathy Hanks, Terri Jameson, Diana Murphy, Mary Orton, Darryl Arnette, Jean Rafuse, Daniel Garza, Tony Chanez, Miss Gritton, Ida Galvin, Cecelia Garcia.

Chemistry Club Offers Opportunities for Future Scientists

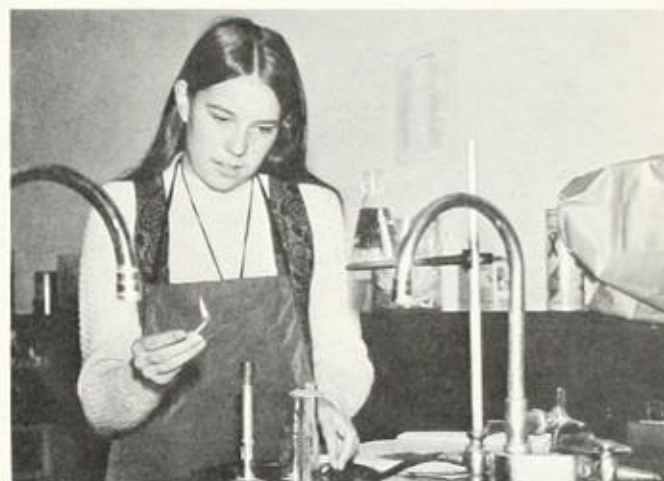

THE CHEMISTRY CLUB

The Chemistry Club is an organization for students who are interested in all aspects of Chemistry. They hold small meetings and then move into the lab to experiment. It is a great opportunity for students to advance in Chemistry. The club advisor is Mr. Ahlmann.

Future Homemakers Attend State Meeting at Asilomar

FUTURE HOMEMAKERS:

Future Homemakers have many activities most of us know nothing about. This year members attended the State meeting at the Asilomar Conference grounds at Pacific Grove, California. They also took part in the Annual Section VI Meeting held at College of the Desert.

They had a lot of fun planning their Progressive Dinner and the Daddy Date night in April. They hosted the annual Mother-Daughter Barbecue in May.

L. to R.: Dawn Palmore, Margaret Yescalis, Roberta Grant, MaryAnn Sirimarco, Cheryl Burke, Peggy Wheeler, Georgia Menches.

Coach Folsom takes over as New Advisor for Varsity Club

The Varsity Club is open to all Norte Vista athletes who have attained at least one varsity letter in any sport sponsored by the school.

This year the Varsity Club had one of the largest memberships of the many organizations at Novi.

The Club's annual dance is open to the whole student body and this year, as in the past, was a great success.

The Varsity Club being a service club also provides Sergeant-at-Arms for the Nominating Convention and for all Congress meetings. The club's advisor this year was Coach Folsom.

Annual Staff Brings in New Decade

Serrano '70 saw not only a new decade enter but also a new format in annual styles make its debut.

It was challenged to be the first in a decade especially with having only four returning members of the '69 staff.

Serrano '70 was headed by Meri Quinn, first semester editor and Anita Salbato, second semester editor.

The staff worked hard to show the real Norte Vista during the 1969-70 school year. We have tried to illustrate truth that could be examined, enjoyed, evaluated and treasured forever.

But enough of that—read on to place your face with times, and places. Isn't that what you really had in mind?

The Annual staff hard at work producing this year's annual.

Smoke Signal Explores Campus Issues

SMOKE SIGNAL:

The Smoke Signal staff has three purposes to accomplish; Publishing the school newspaper, writing articles for community publication and learning new journalistic skills.

The production staff meets second period and has a small staff this year. Vida Smith is Editor-in-Chief this year and Mr. Kaufhold is once again the Advisor.

Mr. Stucker, guest speaker, at press conference addresses staff: Sharon Turner, Carolina Ashe, David Russell, Cindy Marchand, Marilyn Turner, Nina McCoy, Dave DeWitt, Robert Ellis, Vida Smith, Linda St. George, Doug Curwin.

Editor Vida Smith checks her mailbox.

Chris Hewitt checks future copy with Smoke Signal editors.

Mr. Kaufhold confers with members of his staff on this year's Smoke Signal.

Marilyn Turner turns out another one of her feature stories.

Handbook Staff Works During Summer to Put Out New Book

HANDBOOK:

Journalism I students help with the production of the Norte Vista Handbook by giving the student's point of view. They work together as a team to suggest new ideas, places for revision, and to assist in photography.

This year the journalism students have been attempting to make the 1970-71 Handbook even better than in previous years.

Work on the handbook will continue through the summer in order for the magazine to be printed for orientation and fall registration which will be in late August.

Impulse Depicts Creative Side of Novi Students

IMPULSE:

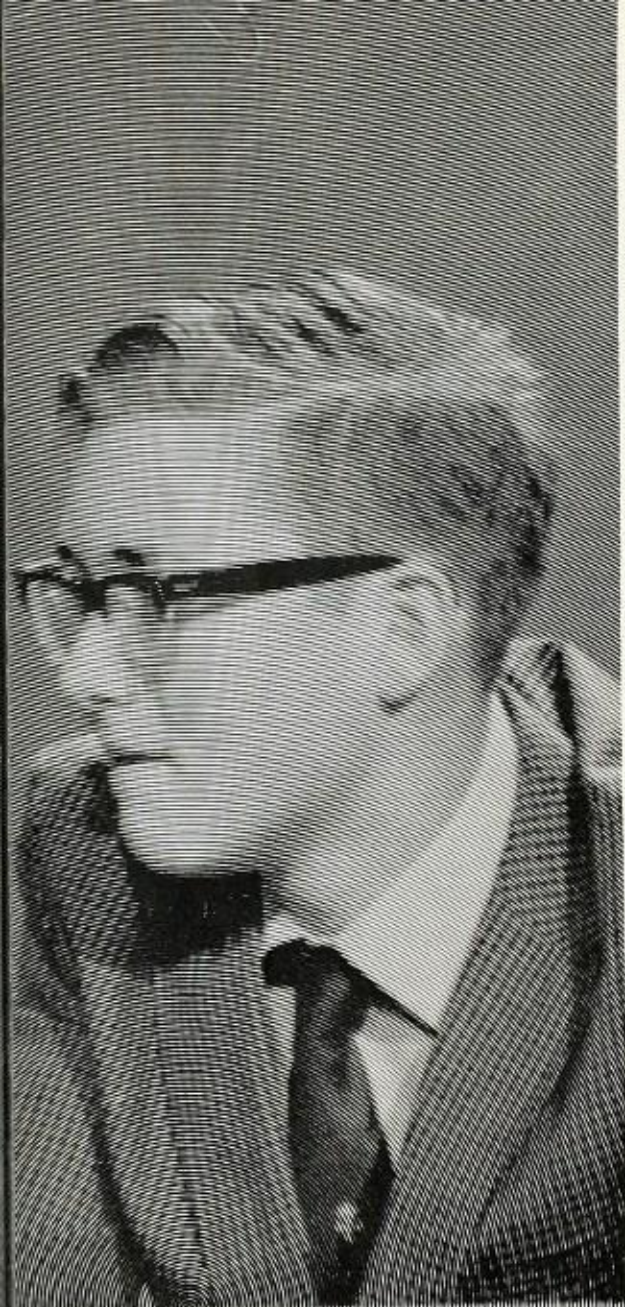

Novi's literary magazine, the Impulse, gives its high school contributors a chance to express themselves in a way many schools overlook. The Impulse was published once this year, and so far it has received many good reactions from students and teachers alike.

Seated: Laura Powers, Jill Douglas. Standing: Joan Bennett, Cindy Marchand, Marilyn Turner.

Learning

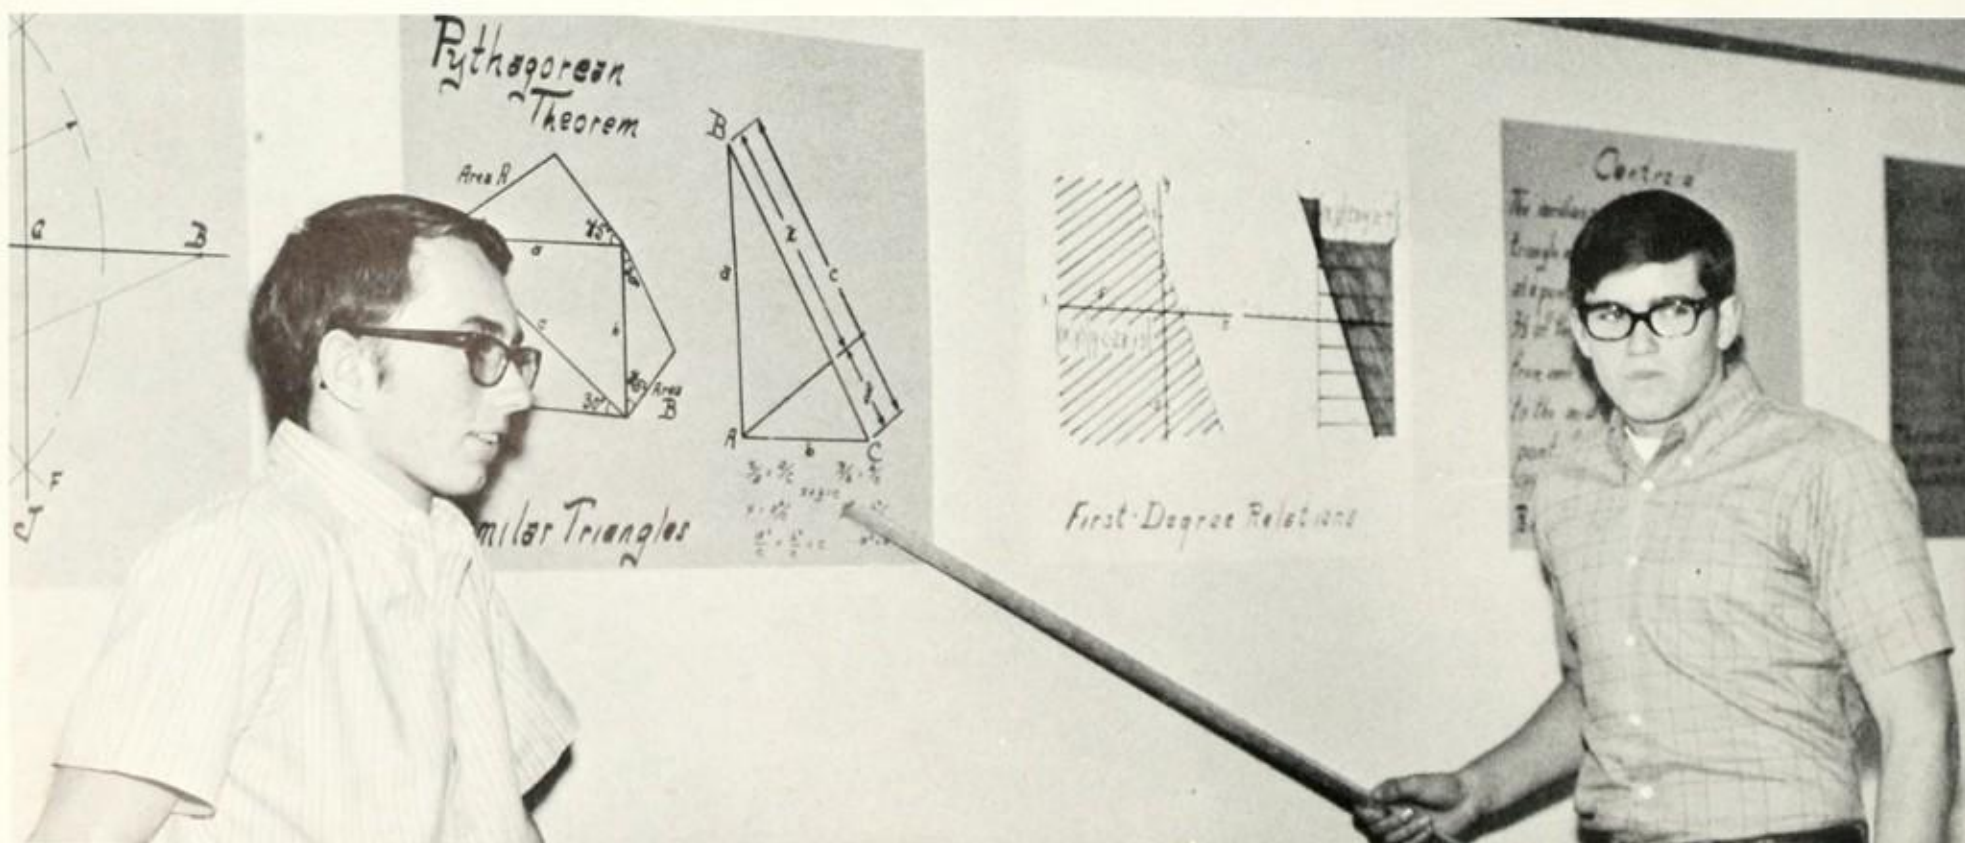

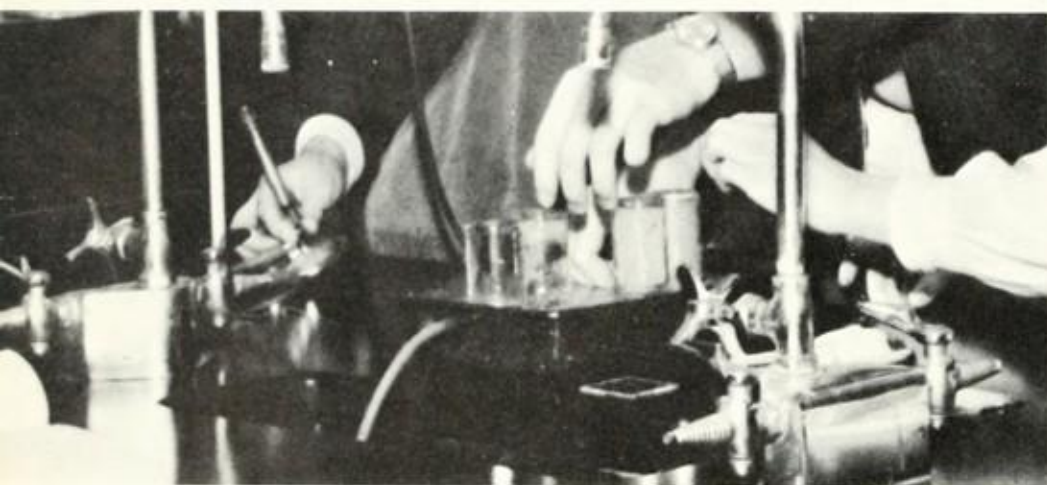

PAT

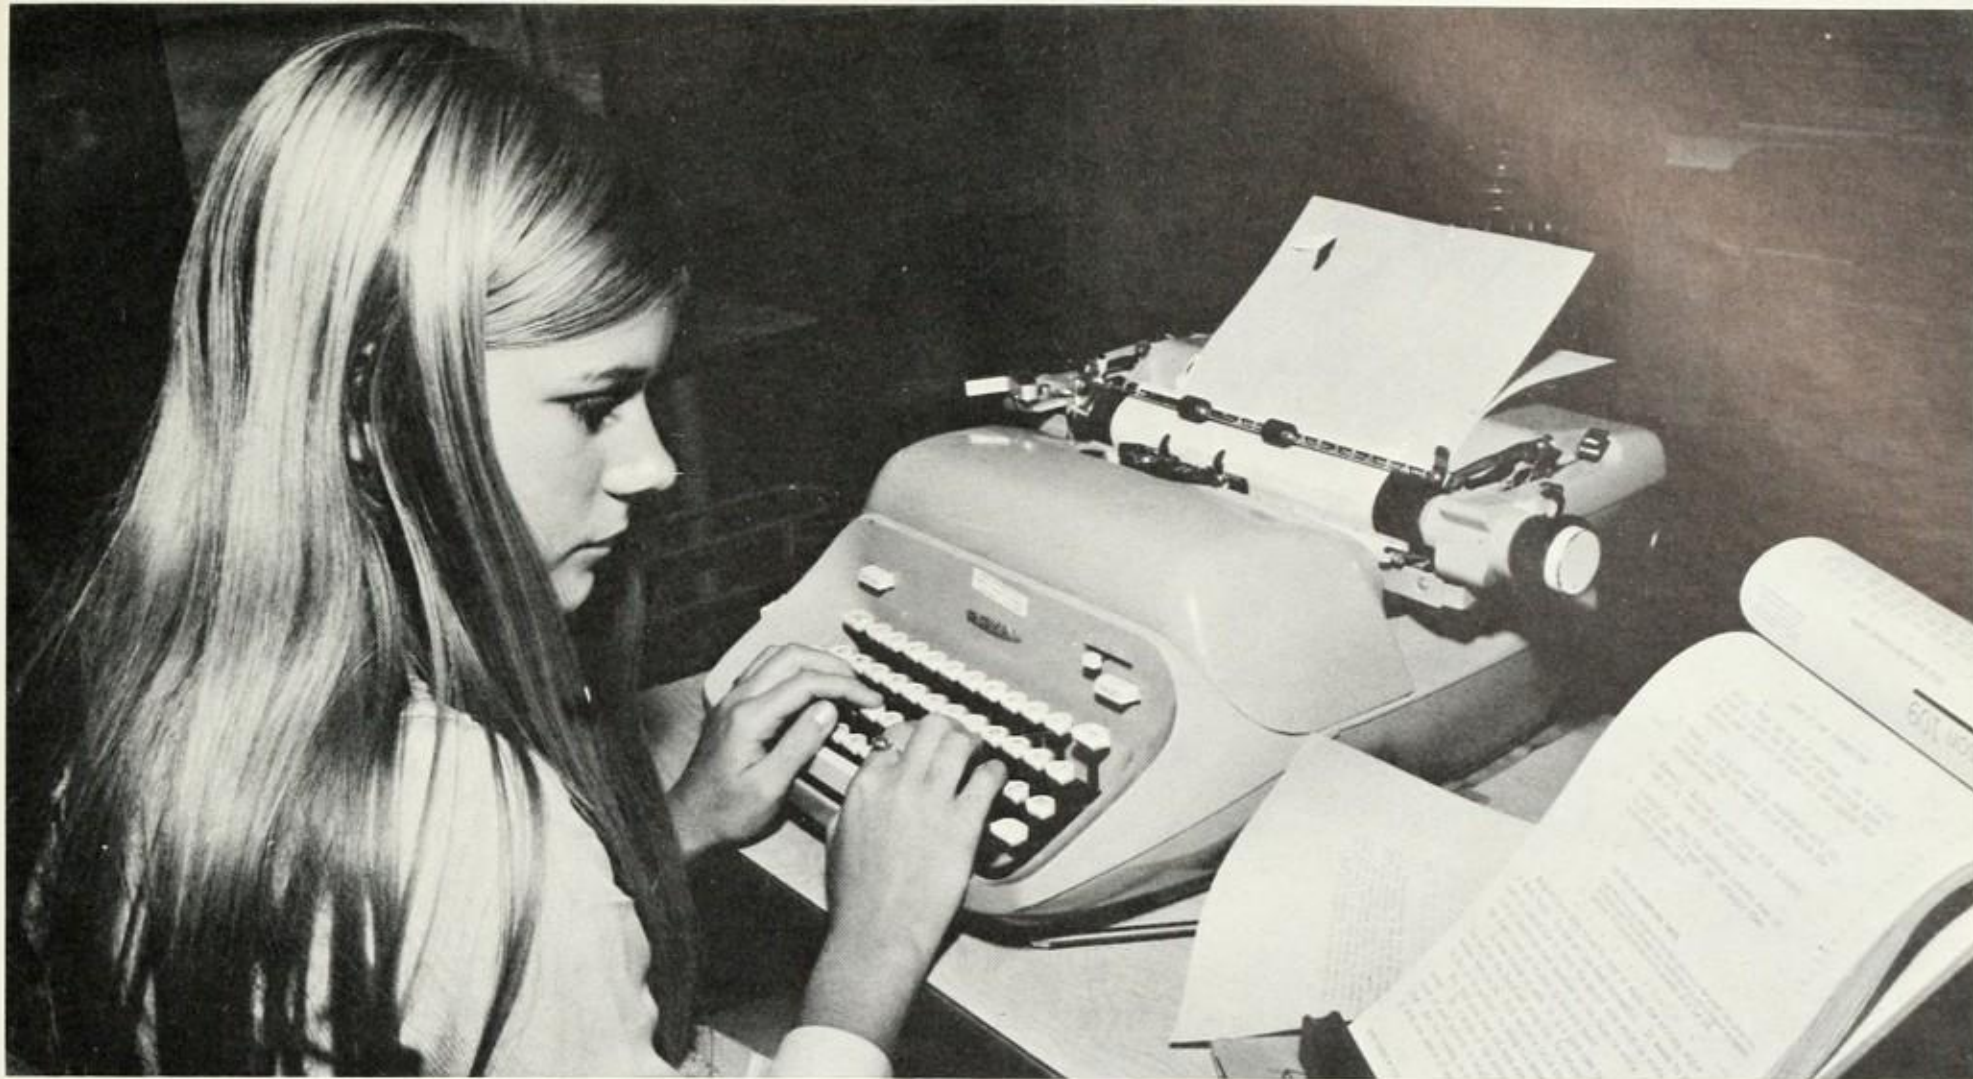

VISTA

Novi Students Seek Higher Learning

ENGLISH Is a required course at Norte Vista in the students freshman through Junior years. A fourth year English class is offered and is taken by some seniors. There are college prep courses as well as non-college courses. The students who plan to go to college enroll in the college course where American Literature is taught. The non-college course consists of reading and grammar.

BUSINESS The Business department offers courses from General Business to Office Machines. The students learn how to succeed in the Business World as Secretaries, Bookkeepers, and Typists. Manners as well as office etiquette is taught in all Business Education classes.

SCIENCE The Science Department's studies are concerned with observation and classification of facts especially with the establishment of verifiable general laws, chiefly by induction and hypothesis.

FOREIGN LANGUAGE In the Foreign Language department the teachers use film strips and tapes to teach verbal expression. The use of words in human intercourse and also the words themselves in their grammatical relationship is studied extensively.

MATH The purpose of Norte Vista's math system is to let the students learn at their own rate—algebra, geometry, and trigonometry.

Top Left: Stanley Musil, Janice Okert and Mike Shea demonstrate the techniques of a normal chemistry class.

Far Middle Left: This is a small example of Chemistry apparatus.

Middle Left: These Spanish students listen attentively while tapes play in the language lab.

Bottom Left: Leo Hess and Gary Vaughn consider the example problems given to them in their Geometry class.

Top: Trudy Koning demonstrates the normal procedure in a typing class.

Bottom Right: A sophomore English class listens while Mrs. Mossman lectures.

Entertainment is the Goal of These Students

MUSIC The Norte Vista music department is headed by Mr. Allen Goodwin. This year Norte Vista's music department consists of beginning Girls' Chorus, Men's Chorus, Robed Glee, Acappella and Choraleers. These groups prepare school concerts at Christmas and in the fall. They also participate in festivals where all the groups compete against other schools by proving their musical abilities.

DRAMA CLASS Is closely associated with the Drama Club. Most people who are in drama class participate in Drama Club and the two plays that are staged yearly.

BAND Our school band, directed by Mr. Fred Wilcox, has gained a new recognition for Norte Vista High School. Along with performing during the football and basketball seasons, the band has played at rallies and games. They have also participated in the Redlands Parade, the Riverside 500 Parade, and the Concert Clinic.

ART In the Art courses at Novi the teachers teach appreciation and application of skills and taste. This results in the production of beauty by imitation or design, as in painting, sculpture and crafts.

SPEECH That which is spoken is the basics of speech class. Uttering articulate sounds or words to express thoughts in a certain manner or acting. Conversation and talking to express your thoughts best is very much stressed.

Bottom Middle: Mr. Alan Goodwin instructs the girls' choral class.

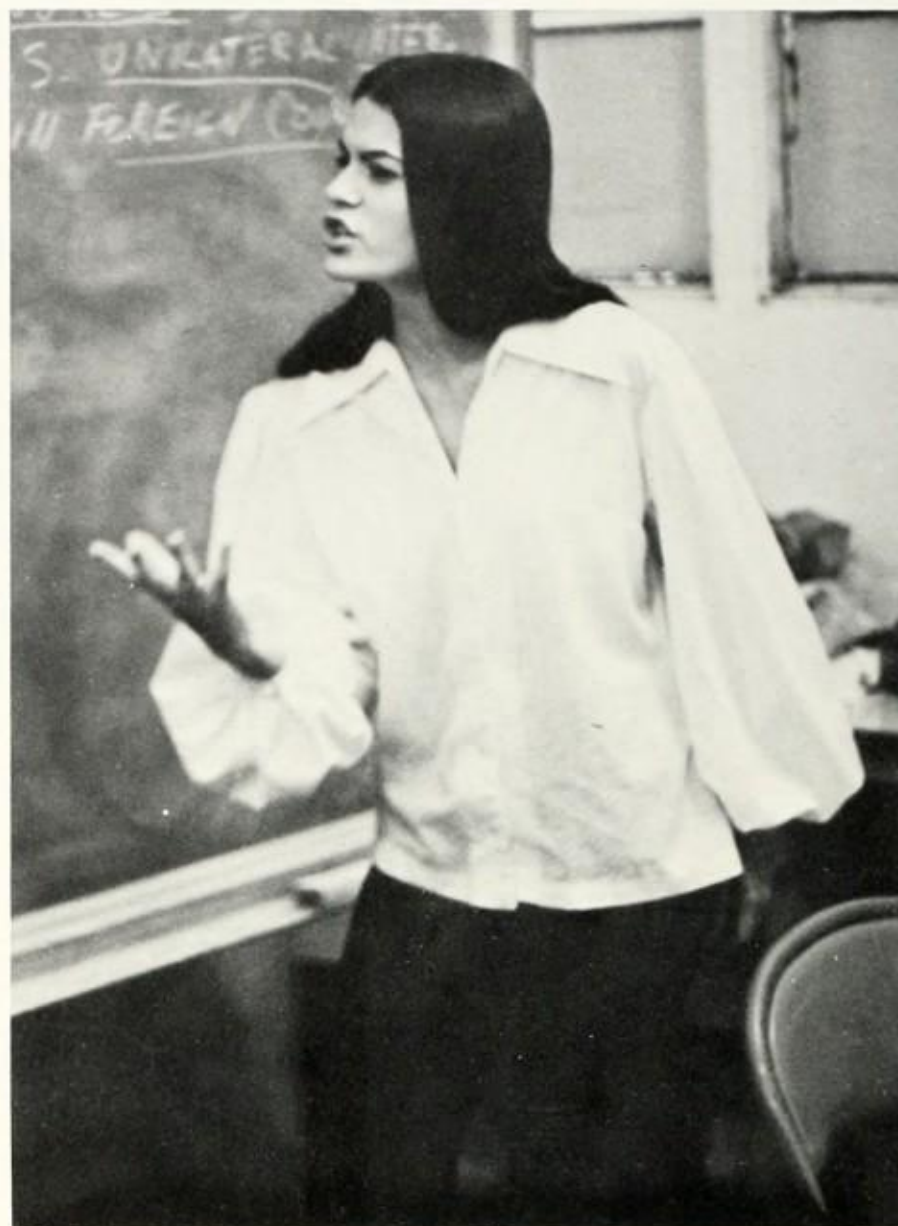

Bottom Left: Make-up in the drama department is a necessity when preparing for a play.

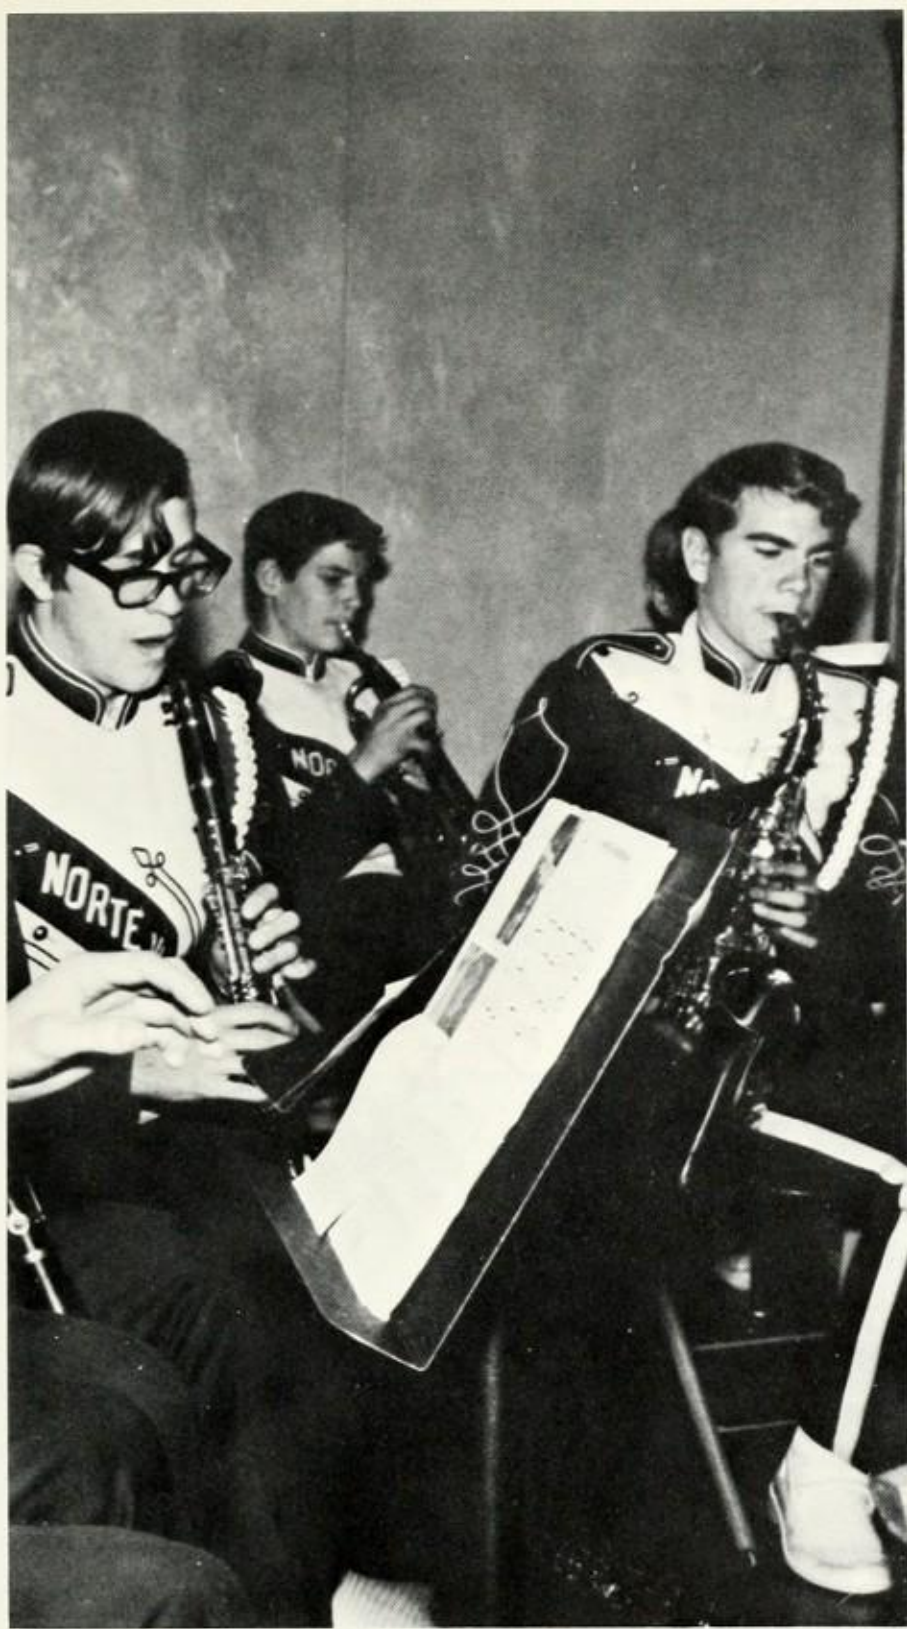

Left: Speech takes talent and dramatic ability as shown here.

Right Center: A part of Novi's band practices for football and assembly performances.

Bottom Right: Art is becoming a refined talent with many art students at Norte Vista.

Top Right: Cut paper from magazines and pictures are pasted on cardboard to form what is known as a collage.

Fitness is the Key to Learning

HOME ECONOMICS The Home Economics department not only teaches the girls to be seamstresses but to be better homemakers after they marry and have their families. They are taught citizenship, how to recognize quality, not only in clothes and material, but in furniture and household appliances. They can offer their own children a little more than they had while they were growing up.

BOYS' COOKING Boys' cooking is a class which enables the boys to learn how to prepare food so the food may be edible. The boys are also taught how to eat the food properly in a mannerly way.

P.E. Is a required course at Norte Vista for four years. Girls' P.E. offers such fields of activities as track, volleyball, modern dancing, baseball and gymnastics. The girls are taught responsibility as well as coordination. The girls improve their abilities while participating in the class. Boys' P.E. is devoted to teaching the boys sportsmanship and how to keep physically fit. They participate in weight lifting, gymnastics, football, soccer, basketball, and wrestling. With these activities and many other sports the males keep physically fit and develop good sportsmanship.

Left: What do we do next?

Left: Debbie Jank completes one of many projects in her Home Economics class.

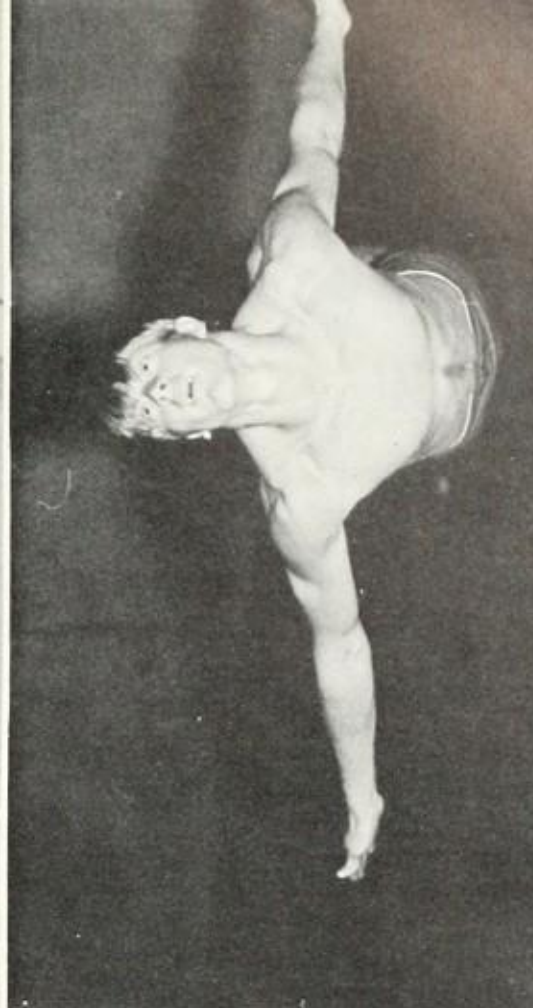

Top Row, Left to Right: Strength, Speed, Coordination, Balance.

Middle Right: Football is a popular sport among the Boys' P.E. class at Norte Vista.

Bottom Right: The important thing to these girls is getting the ball to their own goal.

Right: Linda St. George fits a coat on Kathy Rundle in a sewing class.

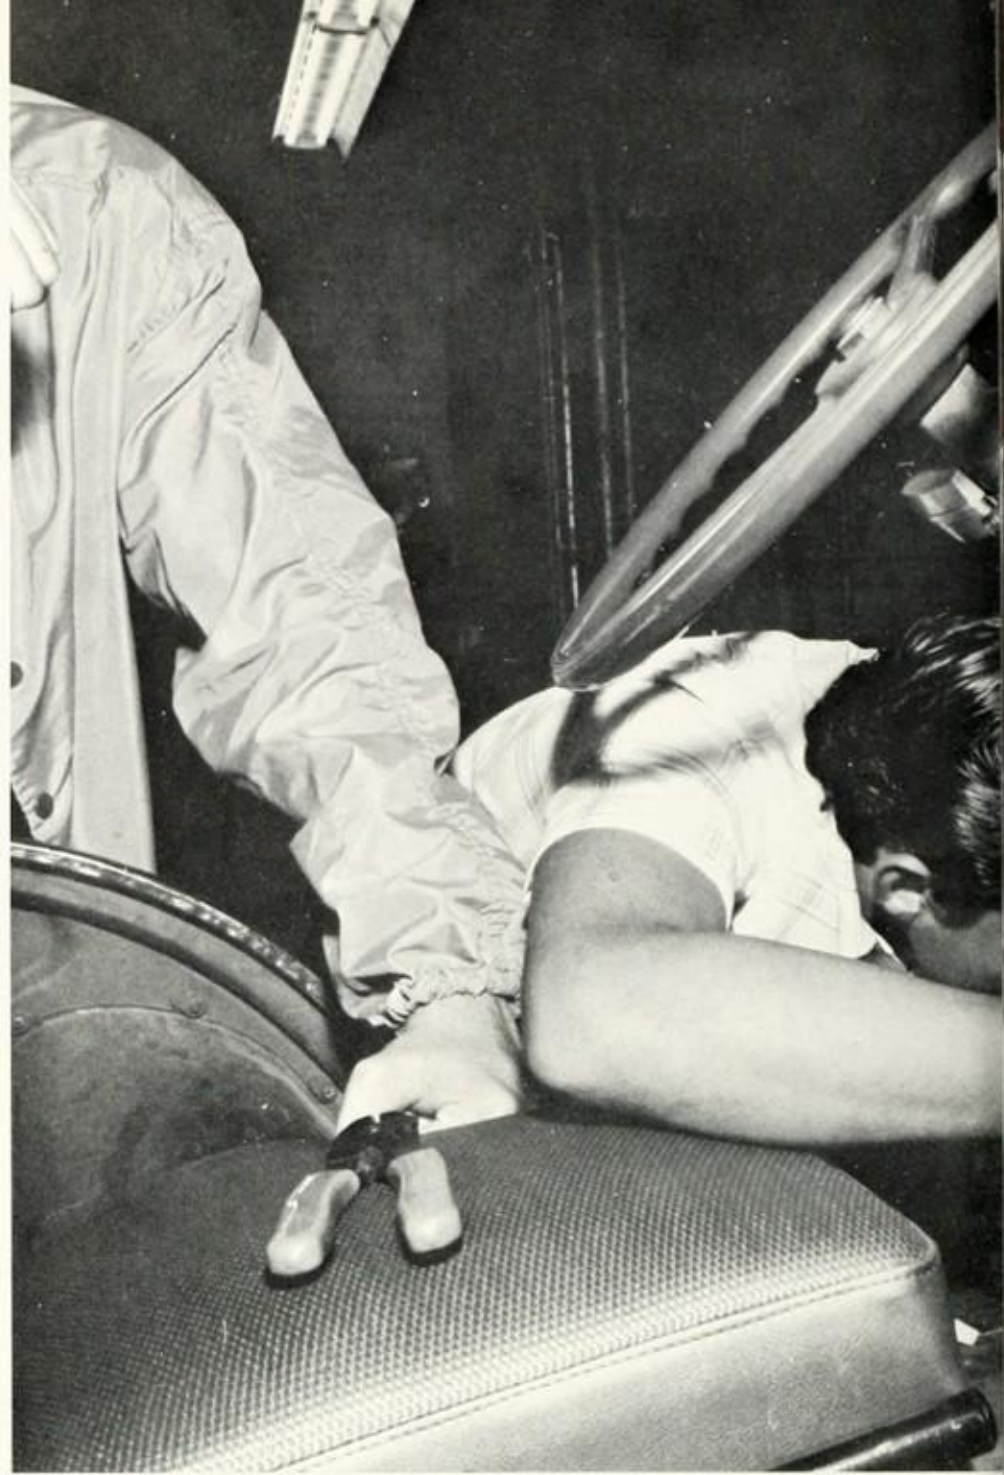

Vast experience is gained in metal shop

Woodshop helps for future use.

Students learn through practical experience in Autoshop

Students learn to design houses

Students Learn Industrial Skills

Graphic arts is a class taken by students who are interested in learning printing. They print passes, football schedules and other needed articles in the school.

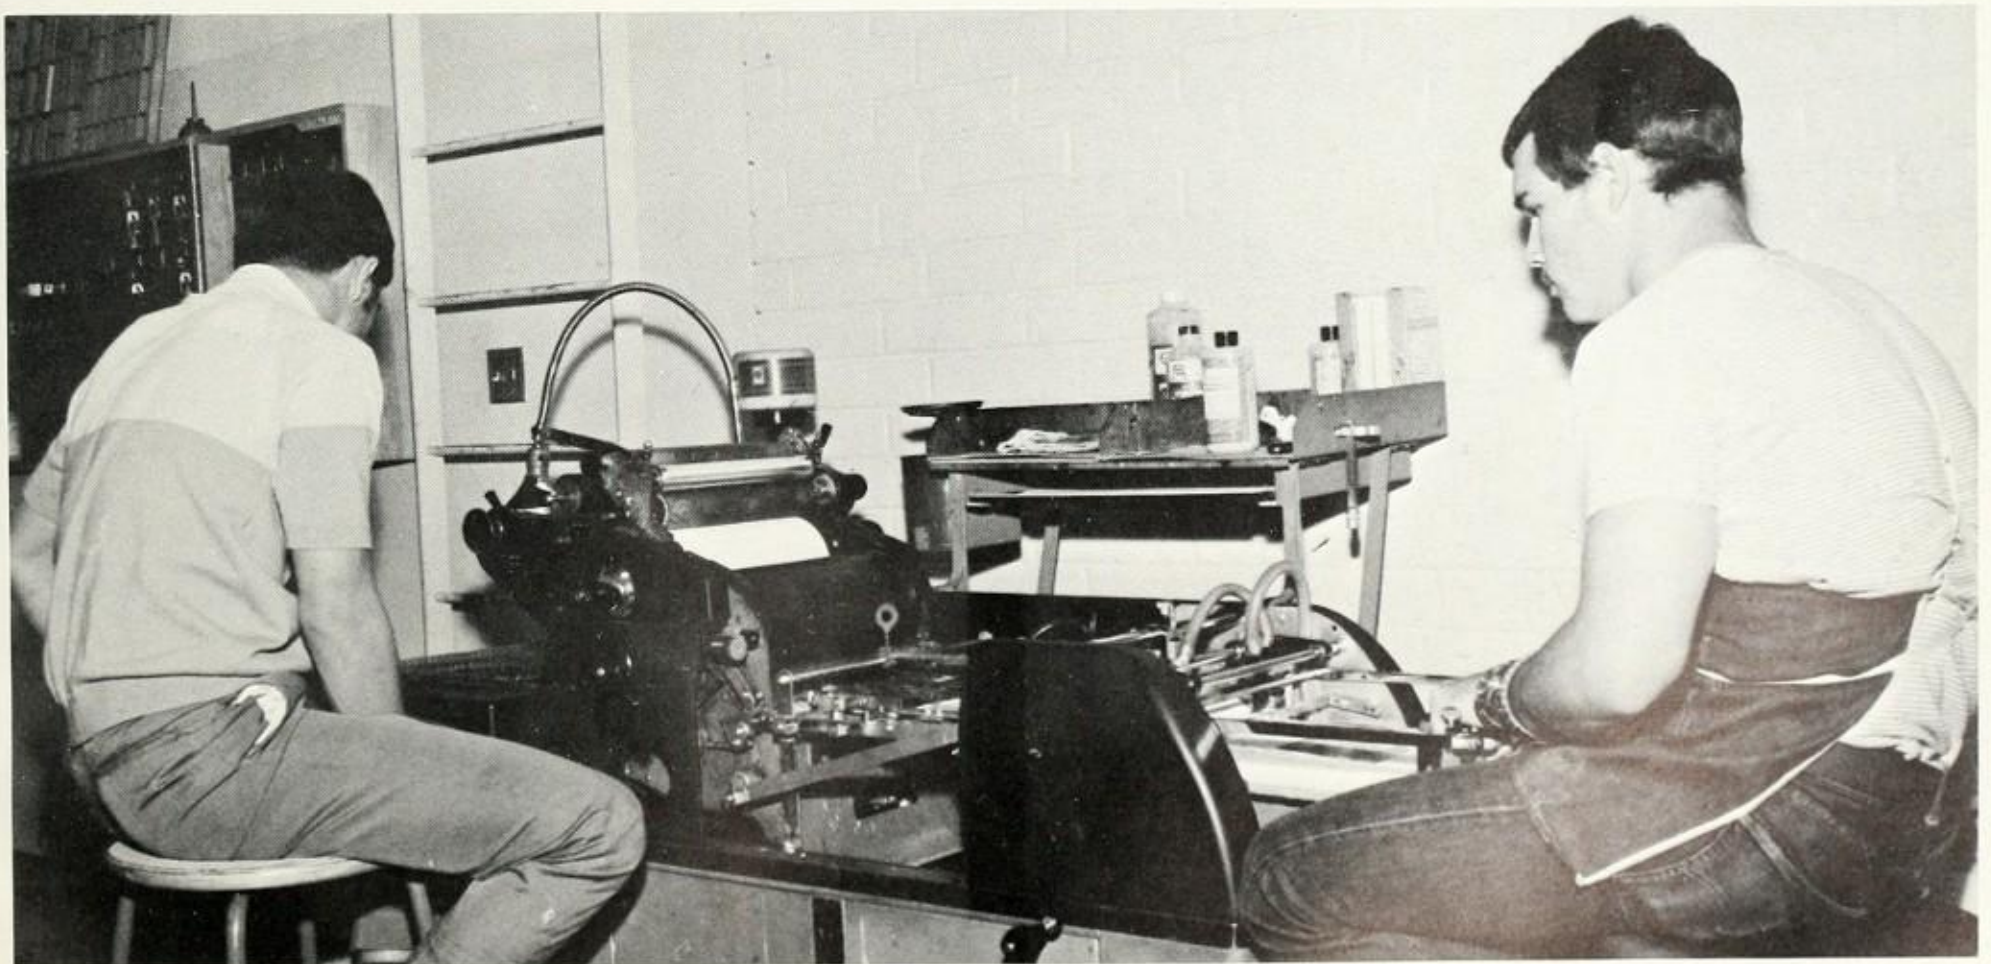

In drafting class students learn architectural designs and mechanical drawing. This course prepares them for careers such as architects, engineers and interior decorators.

The purpose of the Auto Mechanics class is to teach students to build and maintain their cars. Citizenship and honesty also plays a big part in this class.

Students who are interested in carpentry and cabinetry take Wood Shop to learn the basic of these subjects.

Electronics is a class in which students learn the fundamentals of electricity and repairing things.

Metal shop is where students learn about such things as welding, forming metal, foundry, and many other projects.

Students print football programs

Students Achieve New Dimensions

Drivers Education is a required course in all California High Schools. Each student must have 30 hours of class room instruction and 12 hours in the simulators, also 3 hours behind the wheel and 9 hours of observation. Drivers Training is a very popular course because each student looks forward to driving.

The Agriculture program offers 3 fields of study, Agriculture Science, Animal Science, and the Plant and Soil Sciences. Most Novi Agriculture students also belong to Future Farmers of America. In F.F.A. the members usually have animal projects. In these projects they put into practice the book knowledge learned in class. The livestock are usually sold at the different fairs during exhibitor auctions.

The Norte Vista American history program is developed to help students understand American history—from the period of discovery and exploration to the present. It provides a balanced treatment focused on five basic themes: The Evolution of Our Form of Government; The Dynamic Growth of Our Economy; The Scientific and Technological Revolution; Changing Way of Living; and Foreign Policy and Relations with Other Nations.

Psychology helps students in learning how to understand people and what they do. This is a class of what and why the human mind reacts due to certain stresses and strains of our everyday lives.

Top Left: Novi aggies bring in the school flock.

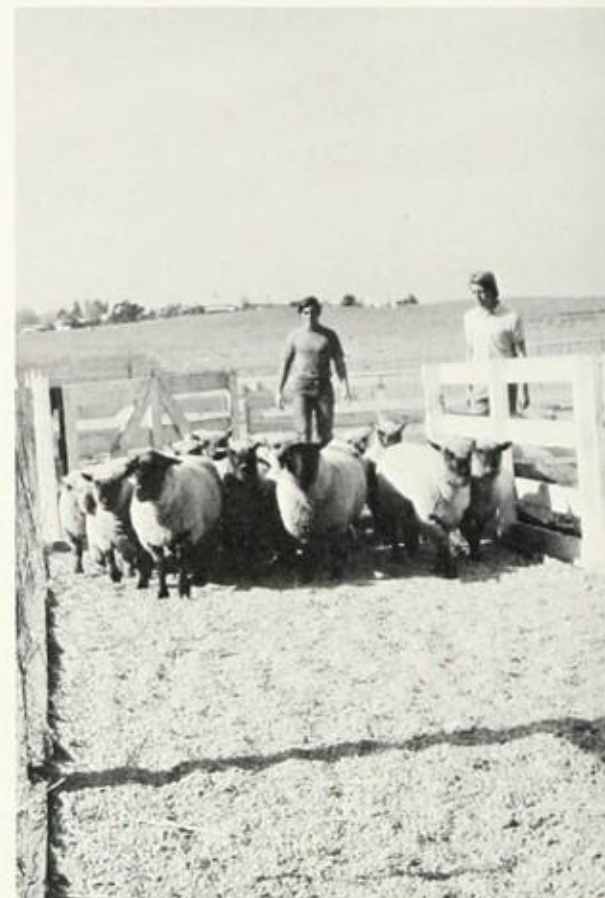

Far Center: Even little steers get hungry.

Far Right: Mr. Torchia thinks of new ideas for his government class.

Bottom Left: Rats help students understand behavior patterns.

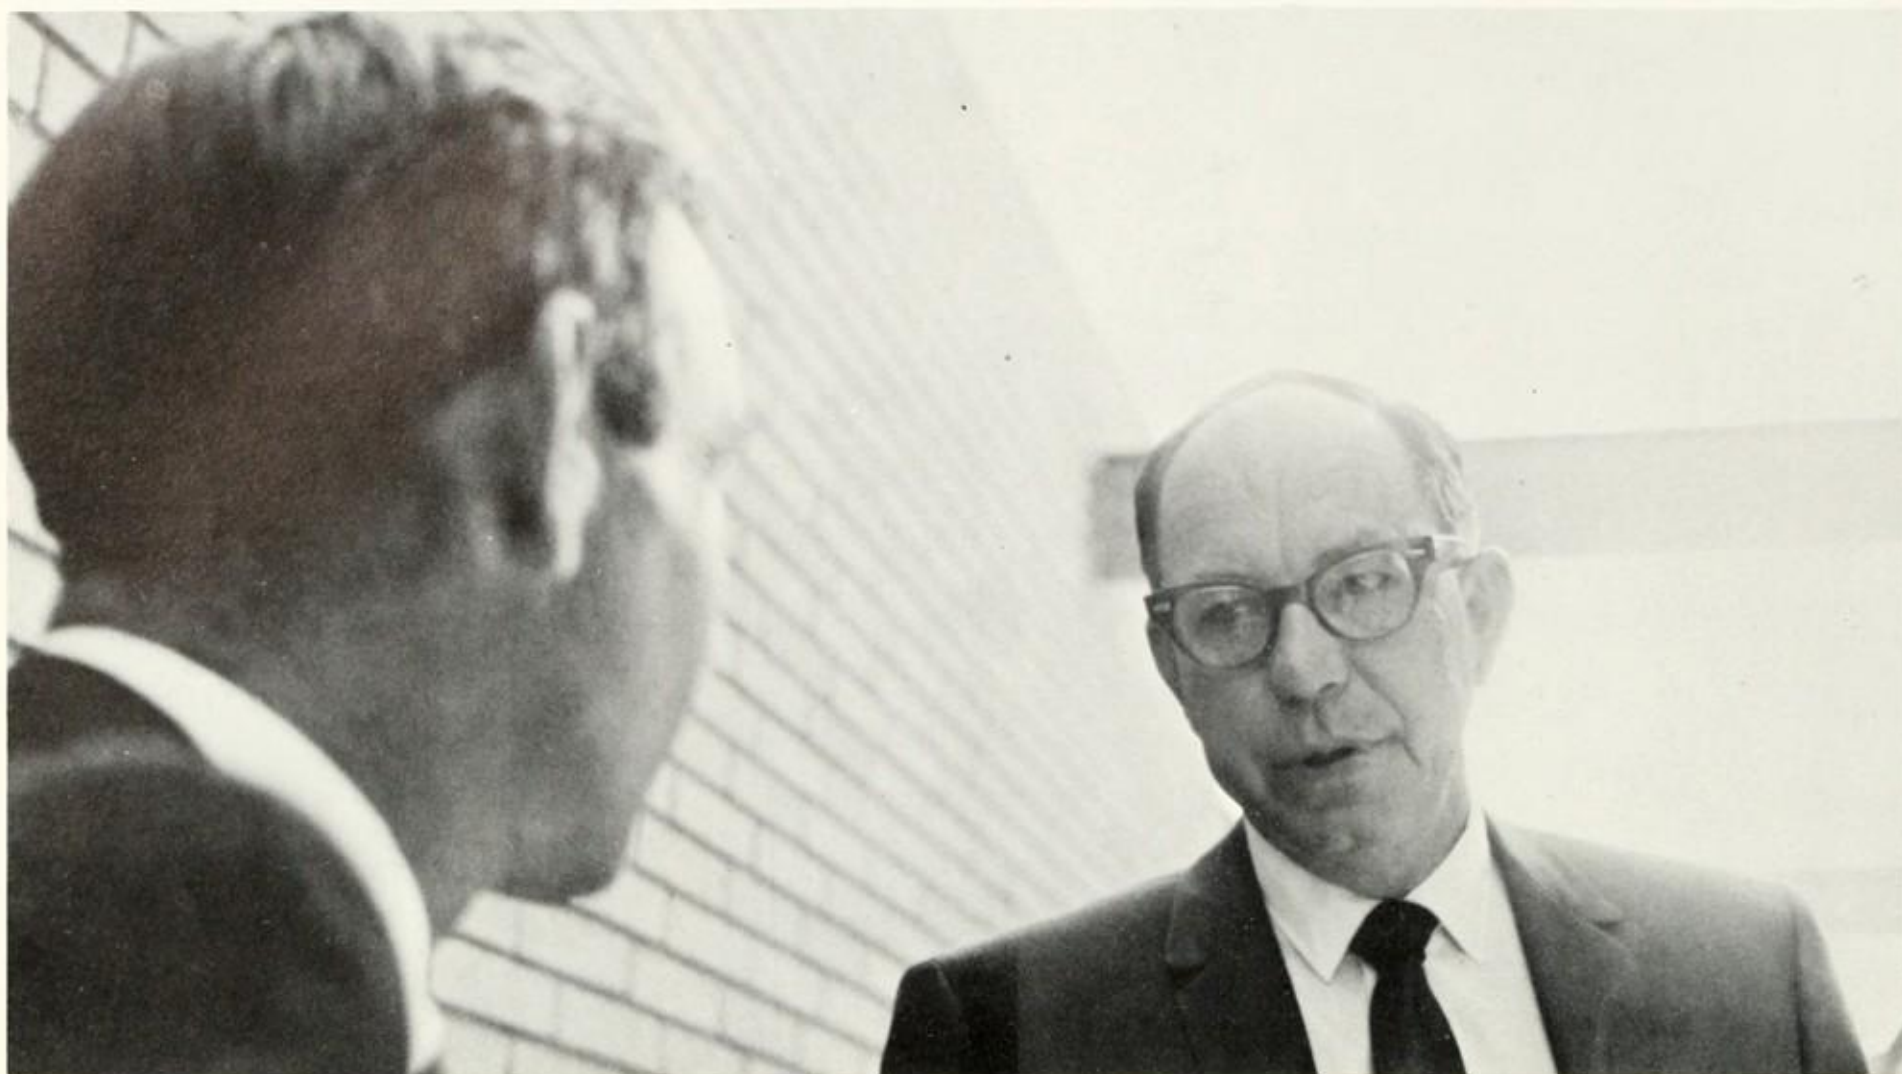

Bottom Center: Students anxiously participate in class discussion.

Bottom Right: Many students enjoy the advantages of new simulators.

Senior Hall of Fame

Outstanding Seniors, left to right—Helen Matlock, Jacki Liggett, Irene Matlock, Rodonna Van Pelt, Joyce Boggs, Chris Hewitt, Andi Ferguson, Dave DeWitt, Mark Hawkins, John Erickson.

This year something new has been added to the Senior Class section of the annual. It is called the "Senior Hall of Fame", and consists of ten Senior students (boys and girls) who are considered the ten best all-around students. They are chosen by the Senior class students themselves, because no one knows a Senior better than a Senior himself!

There are no set standards by which these students are chosen. Outstanding achievement in scholarship, athletics, and art, plus personality and service to the school, are to be taken into consideration.

These students are to be congratulated for this honor, and for starting a new tradition at Norte Vista.

“70” Best Class Ever

A respected teacher among the Seniors, Mrs. Moody.

The Seniors finally unite.

Novi,

As our Senior Class splits up, we would like to thank all you remaining Braves for the great times we have had with you. And from all of us to all of you the best of luck always.

We hope your senior year is as fulfilling and enjoyable as ours has been.

*God bless all of you

Girls can be active in more ways than one!

Novi—Today and Tomorrow

Some girls can even change a tire!

Others can even study!

The watchful "eye!"

Martians? I doubt it.

Come on—Mike!

An Old Friend Leaves while New Ones Arrive

Mrs. Edythe Morris

Mrs. Morris, Dr. Zinser's secretary retired this year after serving Norte Vista since the school's early years. The following quotation illustrates how much she will be missed:

"Mrs. Morris deserves a very pleasant retirement for her dedicated service over the years to education and to Norte Vista High School. She will be missed by students and staff alike. Our very best wishes for the future go with her."

M. Zinser

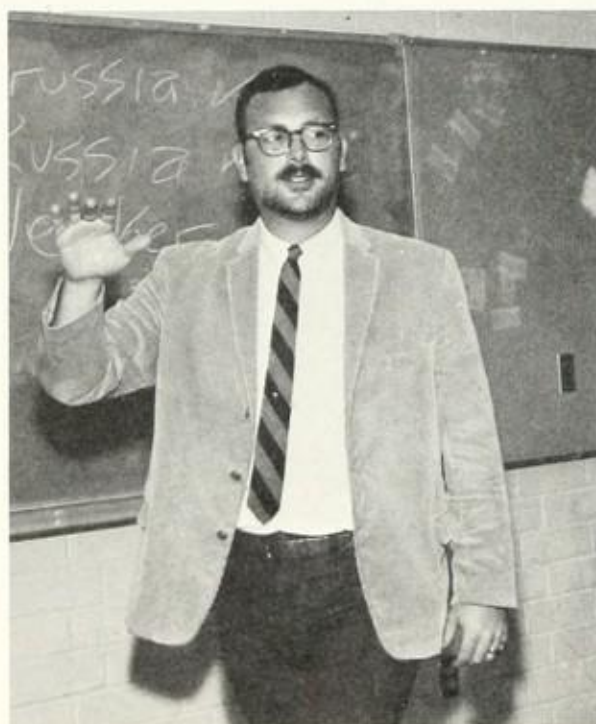

"Since the beginning of our school Mrs. Morris and Norte Vista have been as one.

How can you measure the worth of such a woman in words? She was always a true friend to all students and the staff. She will be missed as one would miss the morning sun.

Mr. Ahlmann

New additions to the Norte Vista scene: Directly opposite, Mr. Leggett, English and Social Studies. Far right: Miss Spangler, Home Economics and Art.

Bottom left: Chris Fox, Alternate Flag Girl. Bottom middle: Wanda Remmers, Alternate Cheerleader. Bottom right: Freshman Cheerleaders, Sue Avilla, Judy Wegner, Debbie Burchfield, Vicki Whitmyer, Pam Wright.

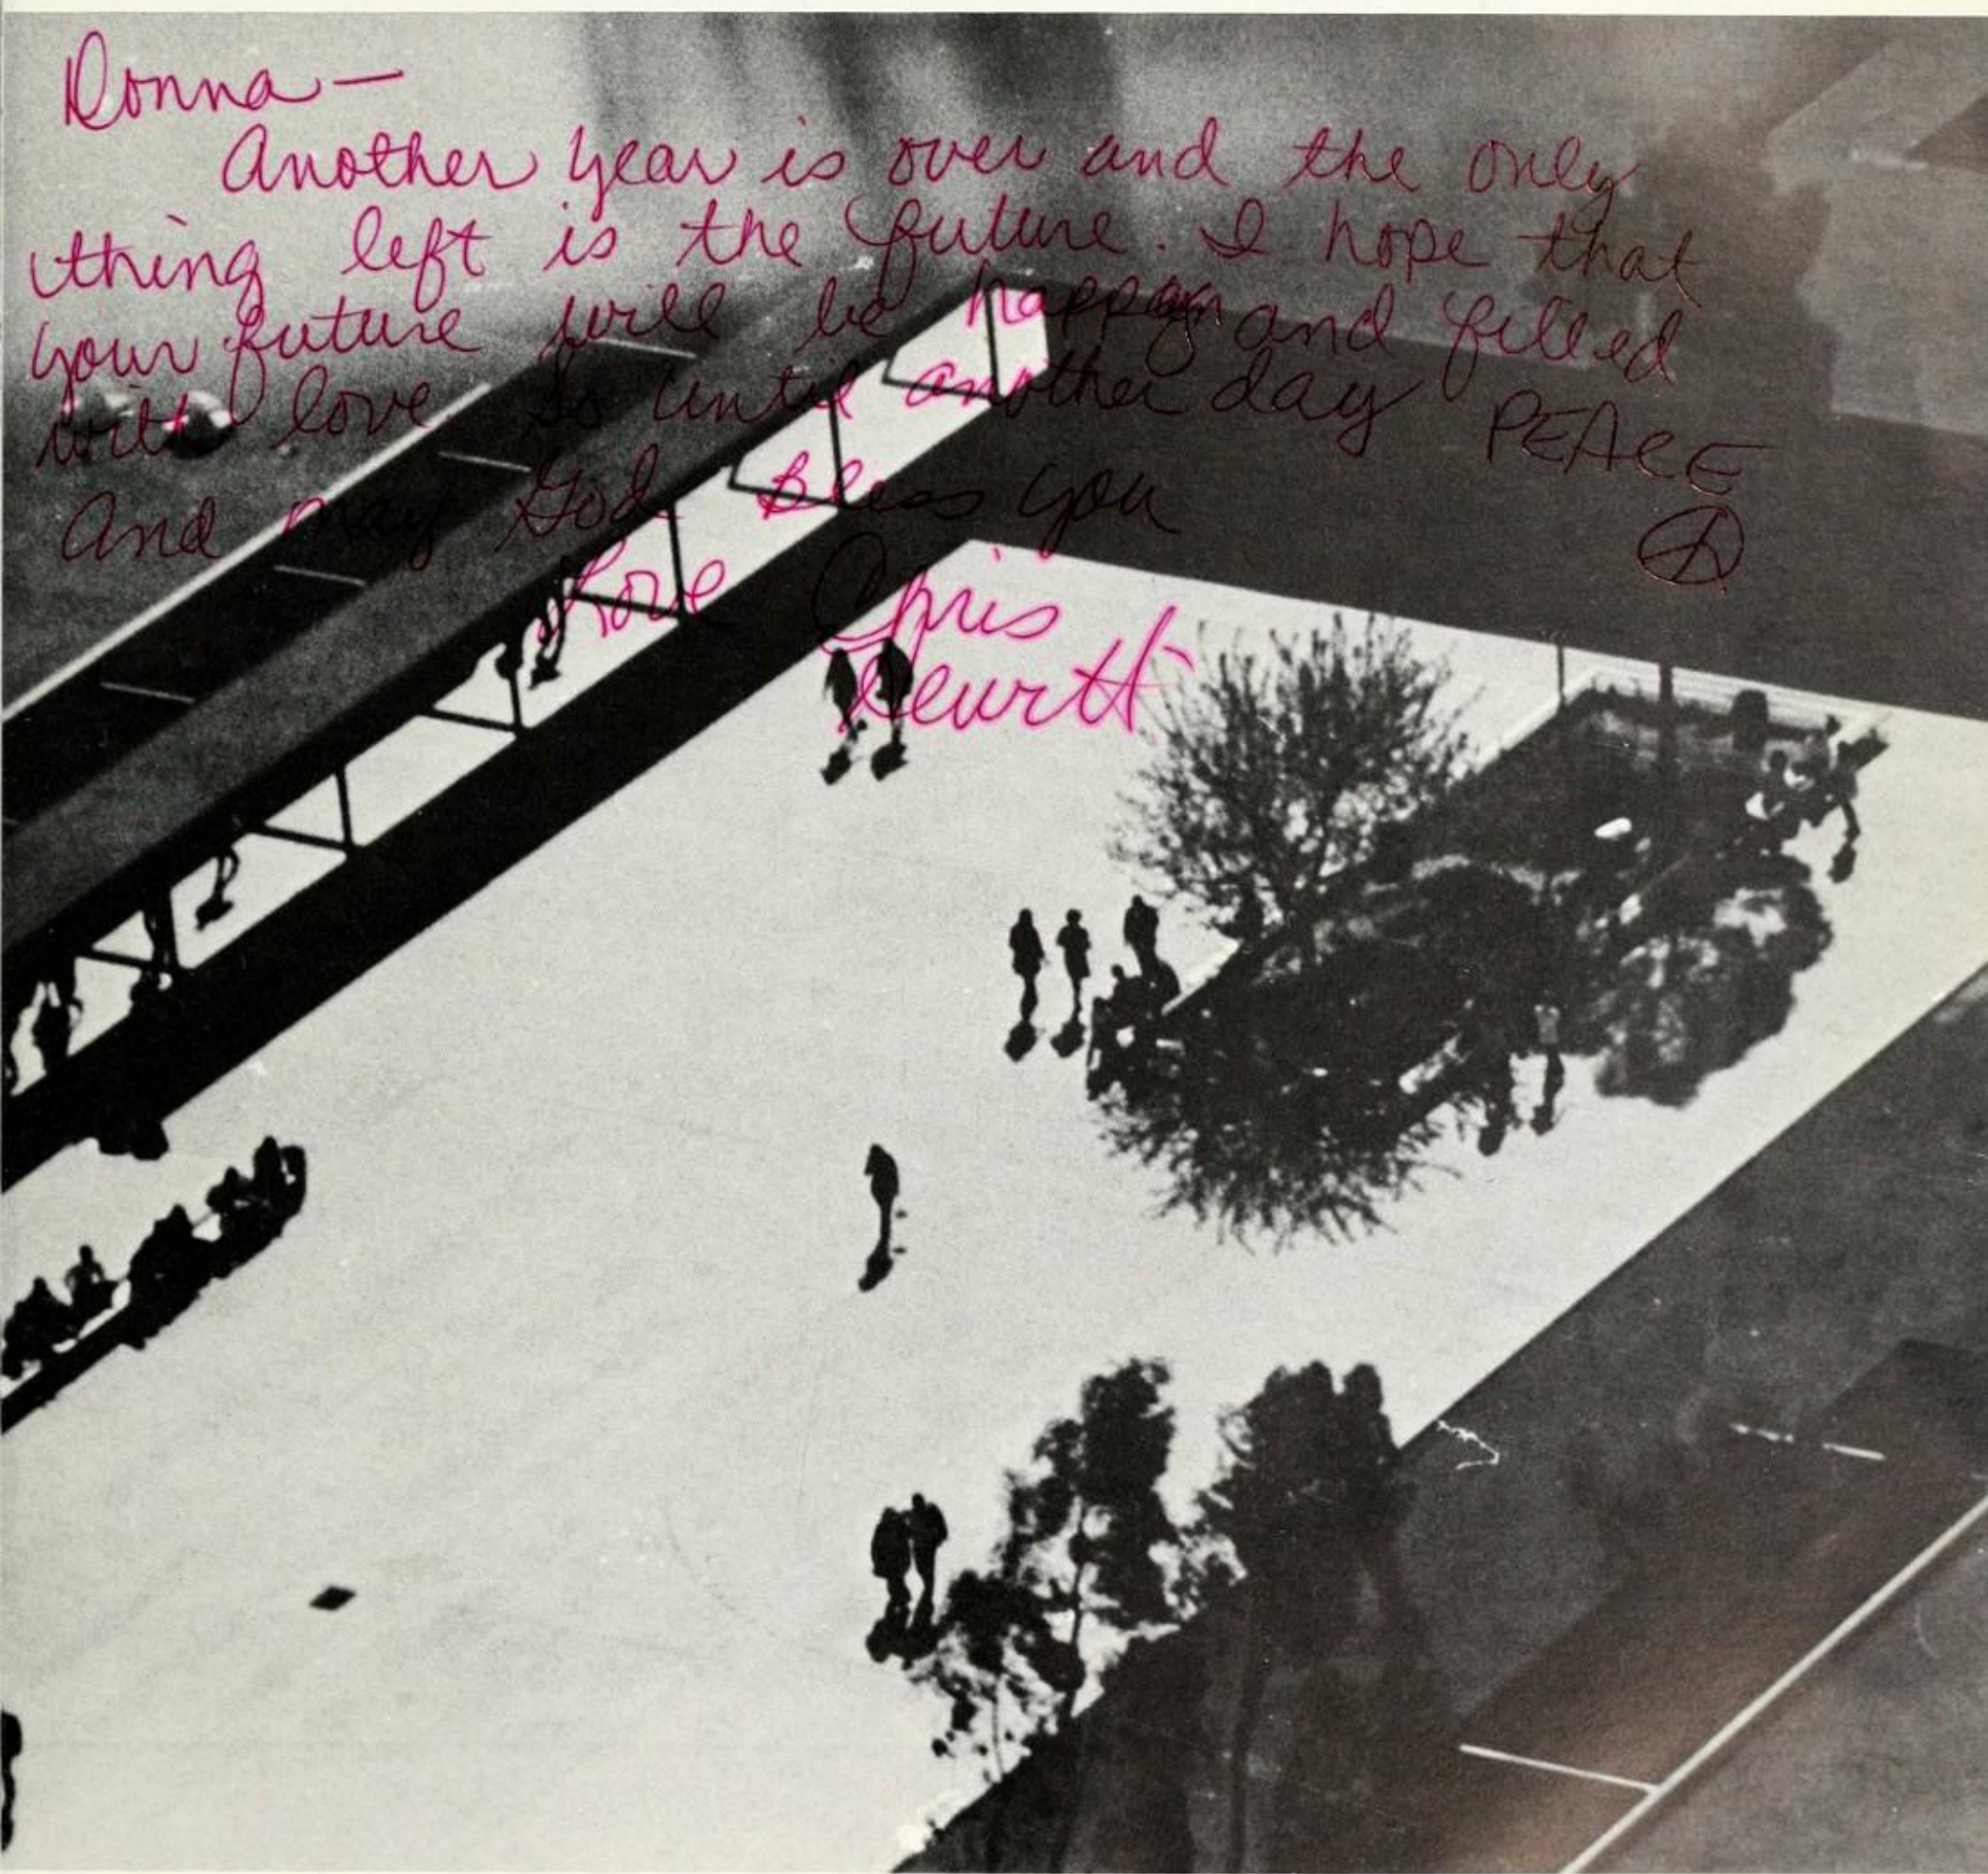

Remember When ...?

Donna—

Another year is over and the only thing left is the future. I hope that your future will be happy and filled with love. So until another day PEACE

And may God Bless you

Love Chris Dewitt

Good-bye. Catch ya around.
 So long.
 12:15. All right—the bell.
 Lockers slam, Halls jam
 people cram
 into cars
 and doors to
 buses
 and seats.
 Hurry! Get it on—let's get home.
 Some lingering behind.
 "Do we turn our class rings now
 or after they graduate?"
 Hey! Why'd they pin down our tassles?
 Last second annual signing
 laughing up the "old" times.
 remembering
 crying, just a little?
 "Going out for sports next year?"
 Sitting on the senior quad either
 for the first time or last time.
 "Bye, Mr. Petta—have a nice summer."
 Last bell. Hungry people waiting
 for their tardy bus.
 "will you help me
 put my daisies
 on my chain?"
 Rats, a smudge on my formal!"
 Checking in locks. Paying for books
 final glances at teachers
 "Wonder if I got a B?"
 remembering
 a time of living,
 moving
 a time of people.
 People blowing in the wind
 moving with the year of seventy.
 Moving to become new adults
 in an old and new world.
 Acquaintances departing in whole
 Friends parting in body
 not mind
 nor soul.
 A new time beginning
 with old faces leaving
 to become new faces
 at new places.

There have been many hard and trying times this year. I feel we have done a far better job than in the years past. Each year the annual will improve if the staff members will learn and work and also if the student body will accept new ideas. The theme of the Annual is Signs of Seventy and I feel this book is an outstanding way to preserve "70's" many memories.

MAN'S GREATEST ADVENTURE

A cautious descent, a bold imprint, then Neil Armstrong told the world, "One small step for a man, one giant leap for mankind".

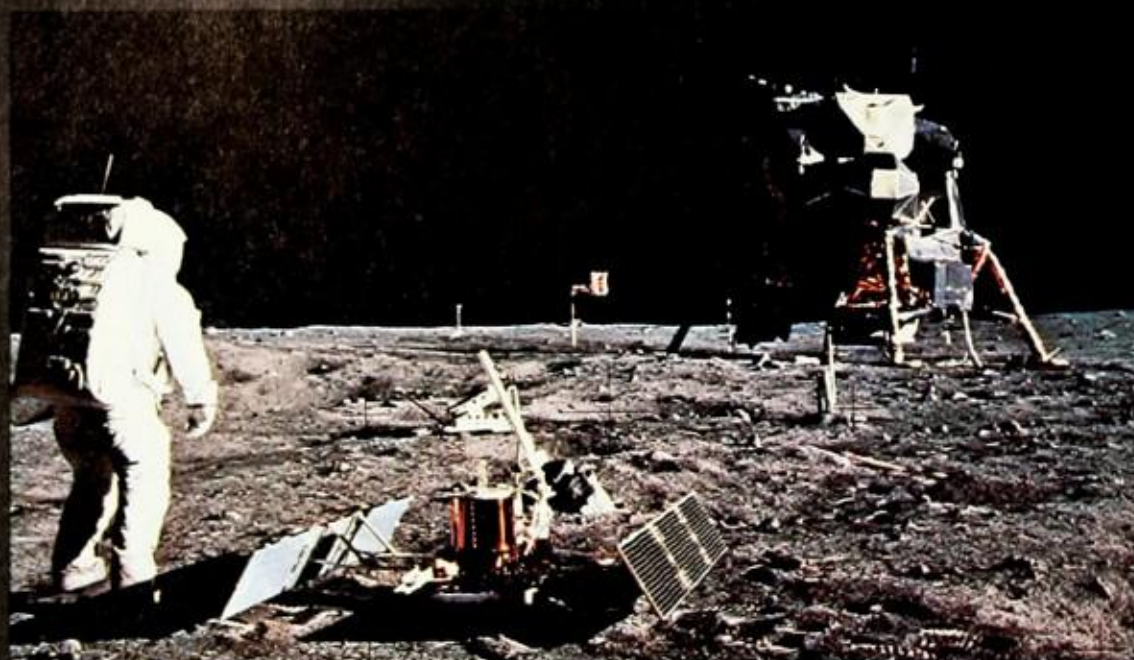

Edwin Aldrin descends lunar module ladder.

Right: Armstrong records overall view of Tranquility Base. Foreground; Astronaut Aldrin, Laser Reflector, Television Camera, Background; Flag and Lunar module.

Below: As Aldrin stands astride the moon, his gold tinted visor reflects the entire compass of man's first visit.

Below right: Aldrin deploys solar wind composition experiment which will provide new information about the sun's composition.

Bottom right: On the Sea of Tranquility Aldrin salutes his flag.

Donna:

June 2005)

This year has gone by so fast and yet for some seasons so slow. Four years of tests, mad dashes to the class room & crumpled down Magnolia. May our friendship continue and grow each day. My wish for you is that life gives you every thing you want and need. Work hard and keep your chin up and you will get every where in this world. Don't be too hard on the guy and save some for me this summer. But don't forget the times at Garmouth Park and all the looks and words that were passed. Be ever so true you the one you love and he'll give you the finest life could ever bring. Some day you and I are going to have to build our own roadster and show every one up. Donna I value your friendship and I hope never to lose it. When you move (if ever) I'll have a car too (H.A.H.A) & we'll just have to find out who owns the cars in Redlands. Have faith and you might even grow up to be good like me) H.A.H.A. "JD" rules forever
